PRECINCT DEMOCRATIC CONVENTIONS ON SATURDAY MAY 3

"NEFF HAS MANY THINGS TO EXPLAIN"-LOVE

Our Town

Jim Ferguson says: "If there should develop at the National Convention a chance for Governor Neff, then far be it from me to throw one stone in the way to prevent this signal honor coming to a native son of my native state, whether we have heretofore agreed on state politics or not." We wonder how this Ferguson-Neff political diet will affect the appetite of our changing politicians.

Prohibition as a political issue is as dead as slavery. Small men in big places are keeping the home fires burning on this subject for the evident reason that without the great American privilege of talking they would get the curtain. Prohibition is not an issue save as to its enforcement. It is the constitution and every officer must subscribe to an oath to uphold that constitution. Prohibition, we are glad to observe is now history and but a moral question, and we hope will never be anything else despite the smoke screen tactics of both wet and dry candidates.

We think we are Democrats and understand Democracy but many of us have no conception of what the deep rooted principles of the party take in. Senator Underwood is being condemned by many because of his stand on the prohibition amendment, and because there is so much misinformation regarding his attitude we are reproducing his statement recently made when Max Bentley former managing editor of the Houston Chronicle asked the Alabama Senator to state his position: Here is what he said: "When that issue went before the people as an amendment to the federal constitution I opposed it because I thought the result could be better achieved along a different line. It was not consistent with my idea of local self government. But the decision was given in the form of the eighteenth amendment. Prohibition by federal enactment is now the supreme law of the land, and woe be to any public officer who seeks to break down the law by refusing to enforce it. It has become my law and I would enforce it in its entire integrity. I know of no reason why any man should doubt my stand on that question." So Mr. Underwood is paying penalty among extremists for no other reason than the fact that he believes in state rights. Mr. Underwood is a prohibitionist, as he indicates, and should not be misunderstood as to his attitude toward enforcement of the constitution if elected President. The politicians attack him unfairly. They dare not tell the people that his stand on the rights of states is not well taken, a position all true democrats must take.

Sunday May 4 has been set aside as "Go to Sunday School" day in Cameron. The goal for attendance in the Sunday schools on that day has been set at 1500. Nothing is more commendable in a citizenship than such evidences of wholesome religious enthusiasm. The good accruing to the city as a result of this movement cannot be easily overestimated and if "Our Town" editor should say more in this regard it would be to urge every man, woman and child in Cameron to go to their respective places of worship on Sunday and support the churches. Your church is calling you.

Texas Democrats are justly diverting some of the criticism directed toward the Ku Klux Klan for its secret political participation to the Farm-Labor Union, guilty of group tactics against open Democracy. Dabney White writing for the Sunday press shows the political character of the Union and goes on to show the difficult position in which

(continued on page four)

DEMOCRATS WILL NAME ENVOYS TO CONVENTION

CONVENTIONS MAY BE HELD ANYTIME SET BY CHAIRMEN IN THE COUNTY.

Instructed or uninstructed? Democrats of Milam County will answer this question which has been thrust into the presidential primaries on next Saturday when they assemble in conventions over the county and name their delegates to the county convention which will be held in Cameron May 6 at 3 p. m.

The precinct conventions will be held Saturday at hours decided upon by the chairmen of the districts. In Cameron the convention will be held at 7:30 o'clock. T. S. Henderson, Jr., is the precinct chairman for Cameron.

The county convention is called by Judge W. G. Gillis at the court house in Cameron to select delegates to the state convention in Waco to be held on May 27, will be held on Tuesday May 6, at 3 p. m.

Democrats are urged to attend the conventions so that a fairly unanimous expression may be obtained on the candidates as well as principles involved in the presidential primaries.

In both the precinct and county conventions a number of resolutions are expected to be introduced, one for the support of McAdoo and one for the support of Underwood. There will also be the echo resolution by the governor on prohibition and suffrage and there is also expected to be a resolution censuring Neff for his unwarranted attacks on McAdoo and Underwood.

All Democrats are requested to attend.

Mrs. M. J. Mays, Miss Ethel Mays and Miss Mabel Rogers, who have been members of the Drue Rogers household for several months, have moved to Houston. Mrs. Mays is Mrs. Rogers mother, Miss Ethel, a sister, and Miss Mabel a niece. These ladies will be greatly missed by Cameron friends.

Methodist Revival Is Now In Fine Progress

The revival meeting at the Methodist church is growing in interest and attendance with each service. Rev. King Vivian of College Station is a preacher of pleasing personality and spiritual intensity. His sermons are well thought out, sane and scriptural. He addressed the High School body at the chapel hour on Tuesday and also the Lion's club at their noonday luncheon.

Alfred R. Wells of Dallas arrived

Tuesday evening and began his work as soloist, choir director and personal worker. Mr. Wells is not only well qualified to direct the music of a revival, but he has a program for children and young people that is exceptionally good. The pastor of the church urges all juniors and intermediates to attend the services conducted by Mr. Wells in the basement each afternoon at four o'clock.

Dock Glover Is Convicted

The jury in the case of the State of Texas vs. Dock Glover charged with murder brought in a verdict finding the defendant guilty of murder and assessing his punishment at 10 years confinement in the State penitentiary. The defendant did not appeal from this sentence and will be taken to the penitentiary at an early date. The defendant Dock Glover is 18 years old and was charged with shooting and killing his father J. E. Glover Feb. 10th, 1924, in the Jones Prairie community. The defendant claimed mistreatment to himself and one of his sisters by his father as his reason for the killing. The defendant was represented by Chambers, Wallace and Gillis and the State by County Attorney Jack Lewis. The trial of this case attracted considerable attention, the court room being crowded during the trial. The defendant was indicted by the March Term 1924 of the Grand Jury.

Sam W. Law, Cameron, H. H. Camp San Gabriel, and Voss Harlan of Branchville, were selected by Judge Watson to serve as Jury Commissioners at the March Term of the District Court to select a Grand Jury, Petit Jurors and Special Venue-men for the May Term of said Court. The following is a list of the Grand Jury

(continued on page eight.)

JURY FINDS DAVIS NOT GUILTY LIQUOR CHARGE

REMAINED TO JAIL FOR FAILURE TO ANSWER QUESTION AND FINED \$100.

Jim Davis on trial in the District Court for transporting liquor, was found not guilty by a jury Wednesday night but was taken to jail on order of Judge John Watson for failure to answer a question as to where he obtained the liquor, asked by District Attorney A. J. Lewis.

Mr. Davis was fined \$100 and sentenced to jail until he answers the question. The fine for contempt was imposed at the Tuesday afternoon session of the court and Mr. Davis was placed in jail Tuesday night.

When the trial was resumed Wednesday morning he was liberated for the trial.

The verdict of not guilty was rendered Wednesday night about 9 o'clock.

The Yoe High base ball team went to Killeen Friday morning and expected to play Killeen in the afternoon. On account of rain, the game was postponed until Saturday and resulted in a score of 4 to 2 in favor of Killeen. The boys were royally entertained by the Killeen team and were shown many courtesies by Supt. W. J. Walker, former Cameron principal.

E. A. FLINN

E. A. Flinn, 50, died at the family residence in Cameron at 12:30 p. m. Thursday afternoon, following an illness of more than two years. He was brought home Sunday from Temple where he had been for some time in a hospital.

Mr. Flinn was in business for many years at Jones Prairie but in late years had devoted his time to farming interests in this and other sections of Texas. No funeral arrangements have been made, but burial will be in Oak Hill Cemetery.

The death of Mr. Flinn will bring sorrow to the hearts of hundreds in Cameron and other sections of the state. A complete account of his life will appear next week.

RECITAL BY HARPER PUPILS.

The pupils of Russell C. Harper will appear in recital Friday, May 9, at 7:30 p. m. in the auditorium of Yoe High School.

Among those who will participate in the program are: Helen Dierr, Virginia Ledbetter, Kathrine McIntoch, Hortense Klawansky, Ruby Schiller, Martha Schigut, Kathleen Baggett, George Newton, Woodrow Cone, Billy Newton and Jake Posey. The program will close with "Elsie in Dreamland," a fantastical play for children.

CATO SELLS.

Dallas, Texas, April 29.—Cato Sells, McAdoo Manager for Texas, calls attention to the fact that the law fixes no exact hour for holding precinct meetings next Saturday, May 3rd, either in the cities or country; that the meetings will be held at such time in the afternoon or evening as may be designated by the chairman of the county executive committee, and that every voter should learn from the precinct chairman, or some one who certainly knows, about this very important matter and be there on time.

DEMOCRAT COMITEEMAN SCORES TEXAS GOVERNOR

Dallas, Texas, April 28.—"Pat Neff has a lot of things to explain as governor of Texas, and I am sorry he is not here so that I can ask him about them," Tom B. Love, democratic national committeeman from Texas, declared tonight in his address in behalf of William G. McAdoo's candidacy for the democratic nomination for president, and which Governor Neff declined to debate with him tonight.

"Governor Neff has charged in his plea for an uninstructed delegation from Texas that McAdoo has too many things to explain," Mr. Love continued. "That may be true, because any man who has accomplished something, is bound to be called to task by his enemies."

"Who had more explaining to do than Pat Neff in the governor's race in 1920? No candidate in the history of Texas ever had more to explain among other things why he had been mistating his age all his life. He had to explain why, as county attorney of McLennan county gambling dens were made to pay out small fines."

"Neff had all the things to explain and I helped him explain them. I did it as my duty to the democratic party. I'm not saying Neff is to be criticized for these things now, but they had to be explained. Now only showing the foolishness of his statement about McAdoo."

Mr. Love said the McAdoo's opposition in Texas was being led by two men—Governor Neff and James E. Ferguson. He said it was an unprecedented thing for two men to be going about the state "yelping for an uninstructed delegation," when, he declared, the state has always sent its delegation instructed for the candidate it wanted to support.

Mr. Love, saying many friends had expressed their surprise at "Neff and Ferguson yoking up together," charged that Governor Neff used his influence to get Ferguson's name on the ticket as a candidate for senator last year, and "if it hadn't been for that influence it never would have been on there."

He said that Ferguson called on Governor Neff in the governor's office shortly before the meeting of the state democratic committee last December, when the governor was indorsed for president, "and while there Ferguson pointed to a drawer in the governor's desk and said, 'It was in that drawer right there that I put the \$150,000 about which so much noise was raised.'"

"Why, I've heard that Pat Neff wrote that resolution indorsing him for president," Mr. Love said. "I wish he was here; I wanted to ask him about it."

Mr. Love launched an attack on the governor's use of the state's money for traveling and telephone expenses. He charged that records in the comptroller's office show that the state paid for telephone calls from Governor Neff to various members of the state democratic executive committee, which Mr. Love charged the governor made in lining up the delegation to indorse him for president.

He also attacked an expense incurred by E. B. Walthall, member of the board of control, formerly Governor Neff's secretary, and later chief clerk of the oil and gas divisions of the railroad commission. He charged that, although Mr. Walthall's sworn expense statement showed him to be on state business, that he "interviewed" various men about Governor Neff's indorsement by the democratic committee.

Mr. Love devoted a great part of his speech to enumerating the qualifications of Mr. McAdoo and his accomplishments while secretary of the treasury. He also launched an attack on Ferguson, but most of his remarks about the former governor

(continued on page 5.)

Go To Sunday School Sunday May 4

PRESBYTERIAN

On Sunday, May 4th we will in all probability have the largest number of people in our Bible schools of the city we have ever been privileged to have. We have just had the most complete and satisfactory religious canvas of the town we have ever had. The situation is now better known to the church workers than it has ever been known. We are also making the wisest effort that has been made to encourage men and women and young people to join the Bible schools. It is not too much to say also that the schools are more efficient and more attractive than they have been. Everything points to a real advance in this phase of church activities.

This is as it should be. Never was intelligence in the things of religion more called for. Never have we faced a situation when the need for religion and true Christianity was more apparent. Let us stand together for vital godliness for ourselves and for our children. A godliness that not only means a good and true heart, but knowledge and skill in service. Our children are better trained and taught than we have been in the matters the schools bring to them. It is ours to see to it that the training they get in morals and religion is keeping pace with what they get in other things. They are having to meet temptations and

(continued on page 4)

BAPTIST

May 4th is the day set as "Go to Sunday School Day," and we want every good citizen of Cameron to help make that day a success.

Every good citizen knows the fine art of co-operation and whether you are strong for the Sunday School in Cameron or not you ought to prove yourself a co-operative citizen. This is a general movement by all the churches. We want a record breaking day in all of our Sunday Schools.

We are counting on you making all of your plans to fit around the Sunday School hour: Sunday morning. Let Sunday School come first and after your Sunday School hour then take care of other things. One sign of education is co-operation. A Hottentot from Africa can struggle along by himself but it takes a trained soldier to march in a great company turning to the right, left, and to the rear and keep step.

Are you the co-operative kind? If so it is your kind that will make our "Go to Sunday School Day" a success. We are counting on you.

E. S. HUTCHERSON,
Pastor Baptist Church.

Mrs. Idella Green has returned from Shreveport, La. Friends will sympathize with Mrs. Green in the loss of her brother, Mr. Edwards, whose death occurred in Shreveport a short time ago.

METHODIST

The Sunday School is the recruiting ground for the churches. About eighty per cent of all church members come into the church while members of the Sunday School.

The Sunday School is the one institution above all others that is teaching the scriptures to the youth of this day. Very little systematic reading and teaching of the Bible is done in many homes. The child that does not attend Sunday School, usually grows up ignorant of the Bible.

Of the four or five hundred boys in the Reformatory at Gatesville, the majority of them have never been in a church building, much less pupils in a Sunday School. The boys and girls who are raised in the Sunday School are not headed toward Reformatories but they will become our most useful citizens.

It is a fact that those people who are best learned in the Scriptures are the ones who attain the highest material, intellectual and moral development. Since these things are true, we should support the Sunday School with our presence and continual interest.

The various churches of Cameron are seeking to have a combined attendance at Sunday School next Sunday of 1500 persons. Will you be one of that number?

R. S. MARSHALL,
Pastor Methodist Church.

EPISCOPAL

The church school is provided for the instruction in things spiritual—just as the public school in things temporal.

We see the blessings of worldly education, we deprecate the lack in those who have either refused or have had no opportunity to learn.

In this day the lack of the knowledge of God—His Holy Word—His church is appalling.

We, through our public schools prepare our children for life in this world.

In the church school we, and our children are prepared for life in the world to come.

Do you feel prepared—with the knowledge you now possess to enter into eternal life?

J. P. LOVE, Rector,
All Saints Episcopal Church.

THIRST QUENCHING A GREAT INDUSTRY

Orange Crush Bottling Works of Cameron Helpful Enterprise For Cameron.

Soft drink manufacturing has become one of the world's greatest industries and has taken its place in the family of American enterprises to which millions have turned in satisfied quest of wholesome confections.

Among the fine industrial enterprises of Cameron few equal in importance and service that of the Orange Crush Bottling and Ice Cream Company with Walter F. Henrichsen as proprietor.

This industry to which all Cameron and Milam county points with the pride of achievement in the expanding program of home enterprise had its beginning under humble circumstances but by dint of enterprise and keeping faith with the public in the manufacture and distribution of honest products with qualities that endure it has now come to be one of the leading industries of its kind in Milam county and Central Texas.

The development of this business under the management of Mr. Henrichsen is one of the fine examples of advantages well taken and developed. Into the development of this business has been put the fine experience and adaptability of one who knows the business in which he is engaged and who has improved with the progress of the town and county so that today literally hundreds of thousands of cases of soft drinks bottled in the big plant find their way in the great program of consumption among the people whose thirst is never quenched and whose purchase of soft drinks is one of the wonders of the twentieth century.

Products such as these—soft drinks of all kinds and Ice Cream—are a distinct necessity in the American household and with the spread of refrigeration in the homes the perfecting of the great transportation systems of the country and good roads luxuries are assured to every home in the land at a cost that compel their purchase by every family be it humble or be it fortunate of circumstance.

So rapidly has the output increased that from time to time in the development of this business it has become necessary to add new equipment and to perfect thereby manufacturing facilities.

From the loading platforms of this industry annually go out hundreds of thousands of cases of soft drinks and now that demand has become greater the future of this industry is fixed as solid as any institution the city may boast in its multitude of commercially great enterprises.

With the introduction of Orange Crush to the popular family of soft

and home consumption has grown to enormous proportions.

The thirst quenching qualities and the confection delights of the Soda Fountain are now made possible for the homes due to the energetic management of the Orange Crush Bottling and Ice Cream Company. This enterprise is deserving in every way of the patronage of the people and no better commercial policy could be pursued than to prefer the products of home industry, because they excel in quality and availability for home consumption.

Ice Cream, the greatest confection food in the world, is fixed as a neces-

sity in the home and at the confection counter and to meet the growing demand for this product in recent months Mr. Henrichsen has turned his energies in proper proportions to the manufacture of Ice Cream.

This plant annually manufactures and sells thousands of gallons of cream and this fine product with quality unexcelled anywhere, is available for consumption on every occasion, being delivered to retailers and homes all over the territory.

Mr. Henrichsen's claim to success is based largely on the manufacture of a quality of ice cream unexcelled as a confection and the increased patronage of this department of the business attests the estimate in which the industry is held among the people and retail confectioners.

With improved facilities and high

standard products in both bottle drinks and Ice Cream the Orange Crush Bottling and Ice Cream Company begins the 1924 season with ample assurances of greater success and wider consumptive demand for its products.

All Cameron is proud of this unique and indispensable manufacturing enterprise.

Use Blue Star Remedy for Eczema, Itch, Tetter or Cracked Hands, Ring Worms, Chapped Face, Poison Oak, Sunburns, Old Sores or Sores on Children. It relieves all forms of Sore Feet. For sale by all Druggists. 666

SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Easily
Made Smooth, Says
Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

Hardy
Orange-CRUSH

an Ideal

Drink

EVERY
YEAR

Parching Tongues Thirst for our Drinks

"When Summer Comes" and the Hot Days close down with scorching heat and humid hours the thoughts of everyone turn to sparkling, thirst quenching beverages such as we manufacture in multiplied thousands of cases every year for Milam county people.

The Crush Family

Meet the Crush Family of soft drinks bottled for the home in cases. Brings all the thirst quenching qualities of the Soda Fountain to your home. The Crush drinks are sold in thousands of cases to families in Cameron and Milam County. The telephone will bring a case to your home by prompt delivery. Number 89 on the Telephone will bring the "Crush Family" to your ice box.

A GREAT INDUSTRY

By reason of the increasing popularity of soft drinks, because they are made in so many attractive flavors and vintages, the bottling works plant has taken its place among the formidable industries of America. Because we make a product that is universal in its use, thoroughly wholesome and healthful we stand first among brewing industries and are serving annually millions of families throughout the country.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to
Bring Back Color and
Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

ICE CREAM—THE KING OF REFRESHMENT MENTS THE WORLD OVER.

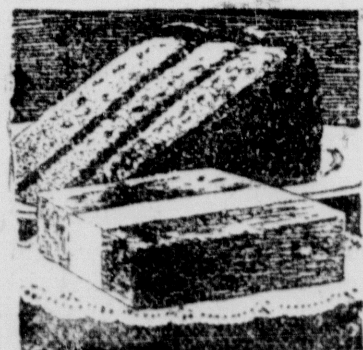

Into the manufacture of our ICE CREAM we have put the experience of years and the best knowledge of the product for which we are famous. We have produced a formula for ICE CREAM of which we are proud and believe we have contributed in a large way to home industry by this manufacturing facility.

Because we manufacture ICE CREAM that is the best to be had and because of the service we give in this product we are receiving increasing patronage and today we rank among the big Ice Cream Manufacturers of this section.

Whether it be for home use, entertainment or for Retail, our ICE CREAM meets the demand and is the kind that calls for More Just Like It.

Orange Crush Bottling and Ice Cream Co.

W. F. HENRICHSEN, Prop. Cameron, Texas.

What the World Is Doing

As Seen by Popular Mechanics Magazine

Giant Turbine Is Installed at Niagara

Water, pouring at the rate of 3,500 cubic feet a second on the giant turbine of the recently completed 70,000-horse-

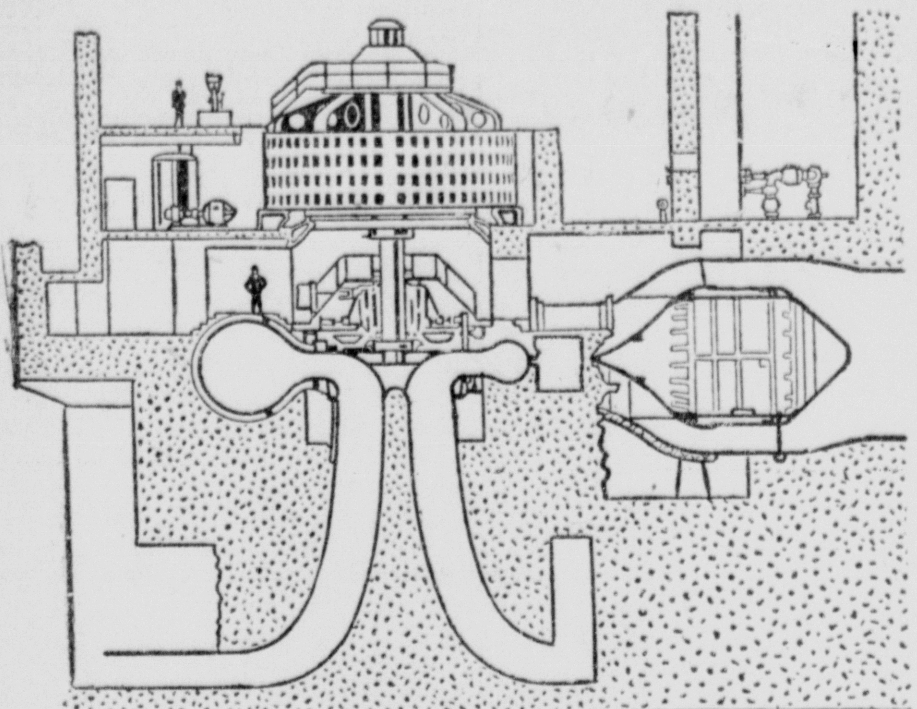

Diagram of 70,000-Horsepower Hydroelectric Unit at Niagara Falls, Showing Arrangement of Turbine and Generator, and Size of Parts Compared to a Human Figure

power hydroelectric unit of the Niagara Falls power company, does work that would require 700,000 tons of coal annually if the energy were generated by steam. So efficient is the generator, said to be the largest in the world, that it uses no more water than was required for seven 5,000-horsepower units formerly, and yet delivers energy equivalent to that produced by fourteen of them. Specially designed cars were required to haul the castings for the turbine, the revolving elements of which weigh approximately 500 tons. Nearly 93 per cent of the efficiency of the water is gained through the fine adjustment of the parts. Another similar unit is being installed and the completed

falls, for this and proposed units, through a hydraulic pressure tunnel, thirty-two feet in diameter and 4,300 feet long.

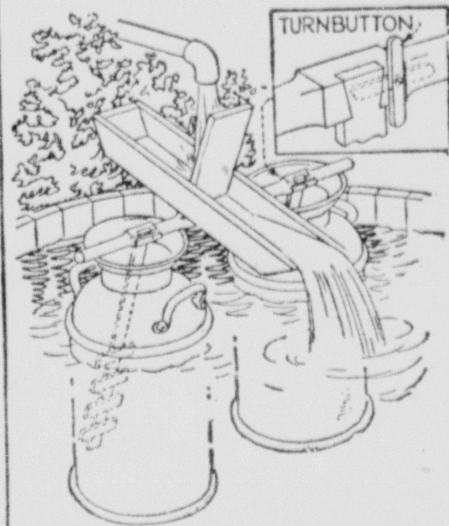

Heart Tissue Is Still Alive after Twelve Years

Preserved in a fluid that supplies food for its cells, a piece of chicken's heart has been kept beating for twelve years by Dr. Alexis Carrel in his laboratory at the Johns Hopkins university. The fragment's twelfth anniversary in its "new life" occurred last January. The tissue was transferred directly from the beating heart of the fowl to the fluid.

Simple Device Stirs Milk While Cooling

Fresh milk is often stirred in order to cool it, and this is usually done by hand, which is a slow and tiresome task. A simple device for doing the work automatically by water flowing into a tank, as shown in the drawing, can be made by any farmer from materials that are available everywhere.

The device consists of a shallow box, made of 1-in. pine boards. The ends are sloping and the box is divided into two equal parts by a board extending vertically in the center about 8 or 10 in. above the sides. The box is mounted at its center on a wooden axle, and a stirring paddle is attached to each end as indicated. These paddles are made from laths, planed smooth, and having a number of short crosspieces nailed on. In use, the milk cans are placed in the water tank and the stirring device arranged as shown in the drawing, the rocking-box being located under a water pipe so that the water first flows into one side and then into the other side alternately. As soon as one side of the box is filled the

weight of the water causes the box to tilt over, and the other side of the box is then filled.

WILLIAM TELL HEFLEY ACCEPTED FOR WEST POINT.

The appointment of Wm. Tell Hefley, Jr., for West Point Military Training School has been confirmed by the War Board, as indicated by the following telegram: "Washington, D. C., May 17, 1924, W. T. Hefley, Cameron, Texas, War Department advises your son accepted for West Point."

LUTHER A. JOHNSON, M. C." Wm. Tell Hefley, or "Billie," as he is familiarly known, is the oldest son of Mr. and Mrs. W. T. Hefley of this city. He descends from an early Milam county family, being a grandson of the late Wm. Vance Hefley.

He was born in Cameron, and began his education in the city schools, graduating from Yoe High in summer of 1923, having finished the high school course in three years.

Following the completion of his high school work, he entered Texas A. and M. College in the fall of 23 and will finish the Freshman course in June.

He was recommended for appointment to West Point shortly after entering A. and M., the recommendation being based on scholarship and rating as a student.

After the close of school, he will come home for a short vacation and will leave about the first of July for West Point.

Austin, Texas, May 21.—Supt. Bonner Frizzell, of the Palestine High School has been made director of the summer normal of the University of Texas for the current year. Mr. Frizzell succeeds Norman Crozier, of Dallas, who resigned recently because of his appointment as superintendent of the Dallas schools.

Mr. Frizzell is a graduate of Texas Christian University with the bachelor of arts degree, and a graduate of Columbia University with the bachelor of science degree. He has taught in A. and M. College, and has been superintendent of the Palestine schools for the last five years.

T. W. (WHIT) DAVIDSON SPEECH

On account of the big T. W. Davidson Rally which will be held in Waco on the evening of May 26th, Mr. Davidson's engagement to speak here on the afternoon of that day has been cancelled. Mr. Davidson has asked that as many as possible of his friends from Milam county attend the rally at the Auditorium in Waco at 8:00 p. m. on May 26th. He will make another engagement and speak in Cameron in the near future. Ample advance announcement will be made so that the public will not be disappointed.

USE Hergy Salve

FOR THE ITCH

HOW VETERANS OF WAR MAY FIGURE UP HOW MUCH THEY HAVE COMING THRU MEASURE

Washington, May 20.—A veteran may determine the amount of his bonus this way:

Figure up the number of days of service. For each day of home service above the first 60 days \$1 will be allowed in adjusted service credit, and for each day of overseas service, above 60 days \$1.25 will be given.

If this adjusted service credit doesn't amount to more than \$50, it will be paid in cash. Otherwise an insurance policy will be given. The approximate value of this policy may be determined by adding 25 per cent to the amount of credit due, and multiplying the total by about 2 1-2.

Thus if a veteran served 400 days at home after the first 60 days he would be entitled to a policy valued at \$400 plus \$100, (25 per cent of the amount) multiplied by 2 1-2, or \$1,250.

GRAMMAR SCHOOL ENTERTAINMENT.

Grammar School evening on Tuesday evening in the Yoe High Auditorium called together a great crowd

of interested parents and friends of those who furnished the program.

The evening was stormy, but despite weather conditions the program was enthusiastically received.

The proceeds of the evening amounting to approximately one hundred dollars will be used to replenish the school library.

The faithful teachers of the Grammar school deserve much praise for their enterprise and the children also who took part on the program.

NEW FURNITURE FOR COUNTY CLERK'S OFFICE.

County Clerk Roark is wearing a broader smile than usual because of recent changes made in his office equipment.

The Commissioners Court recently authorized the purchase of some badly needed pieces of furniture and County Clerk Roark has been made happy by the convenience it has brought. The installation of this modern equipment adds greatly to the appearance and convenience of his office.

In the front office filing cabinets and a long storage desk have been conveniently placed and other changes promoting the convenience

of the patrons of the office have been made.

An up to date desk has been placed in the rear office for the use of the deputy who has charge of the mortgage records.

NOTICE IN PROBATE.

THE STATE OF TEXAS

To the Sheriff or any Constable of Milam County—GREETING:

You are hereby commanded to cause to be published once each week for a period ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam county, a copy of the following notice:

THE STATE OF TEXAS

To all persons interested in the estate of Texana Rucker, deceased, W. S. Reed and V. E. H. Reed have filed an application in the County Court of Milam County, on the 13th day of May 1924, for probate of the last will and testament of Texana Rucker, deceased which said application will be heard by said Court on the 2nd day of June 1924, at the Court House of said County, in Cameron, at which time all persons interested in said estate are required to appear and answer said application, should they desire to do so.

Herein Fail Not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron this 13th day of May 1924.

H. M. ROARK, Clerk, County Court, Milam County, Texas. By J. O. Hughes, Deputy. 3-2t

Costs Little and Overcomes Trouble Almost Over Night

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Rowles' Mentho-Sulphur from any good druggist and use it like cold cream.

MAKING MONEY AND MILLIONAIRES

Some men make their money in business—some in stocks—some by toilsome saving of their daily wage.

But we submit to you the unquestionable fact that more men have reached a comfortable competence through the ownership of property—LAND—which bring in a fixed income—than in any other way.

BUSINESS requires your sole attention—stocks mean sleepless nights and days of worry—property works by itself for you without your care.

SELECT IT—set it to work—it takes care of itself and will take care of YOU.

A good example of this sort of investment is found in LITTLEFIELD, TEXAS, COTTON FARMS on the South Plains.

Our land is for sale in one or more tracts at from \$25.00 to \$35.00 per acre, the price depending upon location. The terms of sale are, 20 per cent cash, with deferred payments payable over a period of ten years, and are subject to change without notice. The interest rate is 6 per cent. All deferred payments are payable on or before due dates. Deferred payments may be made over a period of 15 years on a part of our land which we bought on very favorable terms.

SCHOOL PLAY AT BRANCVILLE.

The Buckholts High School will present "Old Fashion Mother" at Brancville, Friday night, May 23, for the benefit of the Branchville Ladies Aid Society. Admission 15 and 25 cents.

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more sniffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

Evans' Corner

Personally, I am glad that Gov. Neff rejected the presidency of the State University. It never occurred to me that he would accept. It occurs to me that the two gentlemen on the board of Regents who resigned, because the Board elected Gov. Neff, could have rendered a better service by remaining "hitched."

If you believe in standing "hitched," then tie onto Evans Optical department and have a good pair of lenses ground to fit you. An office well equipped, coupled with a careful examination, go to make up a pair of lenses that are comfortable.

THIRST QUENCHING A GREAT INDUSTRY

Orange Crush Bottling Works of Cameron Helpful Enterprise For Cameron.

Soft drink manufacturing has become one of the world's greatest industries and has taken its place in the family of American enterprises to which millions have turned in satisfied quest of wholesome confections.

Among the fine industrial enterprises of Cameron few equal in importance and service that of the Orange Crush Bottling and Ice Cream Company with Walter F. Henrichsen as proprietor.

This industry to which all Cameron and Milam county points with the pride of achievement in the expanding program of home enterprise had its beginning under humble circumstances but by dint of enterprise and keeping faith with the public in the manufacture and distribution of honest products with qualities that endure it has now come to be one of the leading industries of its kind in Milam county and Central Texas.

The development of this business under the management of Mr. Henrichsen is one of the fine examples of advantages well taken and developed. Into the development of this business has been put the fine experience and adaptability of one who knows the business in which he is engaged and who has improved with the progress of the town and county so that today literally hundreds of thousands of cases of soft drinks bottled in the big plant find their way in the great program of consumption among the people whose thirst is never quenched and whose purchase of soft drinks is one of the wonders of the twentieth century.

Products such as these—soft drinks of all kinds and Ice Cream—are a distinct necessity in the American household and with the spread of refrigeration in the homes the perfecting of the great transportation systems of the country and good roads luxuries are assured to every home in the land at a cost that compel their purchase by every family be it humble or be it fortunate of circumstance.

So rapidly has the output increased that from time to time in the development of this business it has become necessary to add new equipment and to perfect thereby manufacturing facilities.

From the loading platforms of this industry annually go out hundreds of thousands of cases of soft drinks and now that demand has become greater the future of this industry is fixed as solid as any institution the city may boast in its multitude of commercially great enterprises.

With the introduction of Orange Crush to the popular family of soft

bottle drinks it has become necessary to evolve other drinks of similar nature from formulas achieved in the laboratories of this plant and Lemon Crush is another great seller along with its popular rival—Orange Crush. Flavors and vintages embracing all the popular drinks are manufactured and cased for delivery

and home consumption has grown to enormous proportions.

The thirst quenching qualities and the confection delights of the Soda Fountain are now made possible for the homes due to the energetic management of the Orange Crush Bottling and Ice Cream Company. This enterprise is deserving in every way of the patronage of the people and no better commercial policy could be pursued than to prefer the products of home industry, because they excel in quality and availability for home consumption.

Ice Cream, the greatest confection food in the world, is fixed as a neces-

sity in the home and at the confection counter and to meet the growing demand for this product in recent months Mr. Henrichsen has turned his energies in proper proportions to the manufacture of Ice Cream.

This plant annually manufactures and sells thousands of gallons of cream and this fine product with quality unexcelled anywhere, is available for consumption on every occasion, being delivered to retailers and homes all over the territory.

Mr. Henrichsen's claim to success is based largely on the manufacture of a quality of ice cream unexcelled as a confection and the increased patronage of this department of the business attests the estimate in which the industry is held among the people and retail confectioners.

With improved facilities and high

standard products in both bottle drinks and Ice Cream the Orange Crush Bottling and Ice Cream Company begins the 1924 season with ample assurances of greater success and wider consumptive demand for its products.

All Cameron is proud of this unique and indispensable manufacturing enterprise.

Use Blue Star Remedy for Eczema, Itch, Tetter or Cracked Hands, Ring Worms, Chapped Face, Poison Oak, Sunburns, Old Sores or Sores on Children. It relieves all forms of Sore Feet. For sale by all Druggists. 12

SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Easily
Made Smooth, Says
Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Menthosulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Menthosulphur from any good druggist and use it like cold cream.

Drink

**EVERY
YEAR**

Parching Tongues Thirst for our Drinks

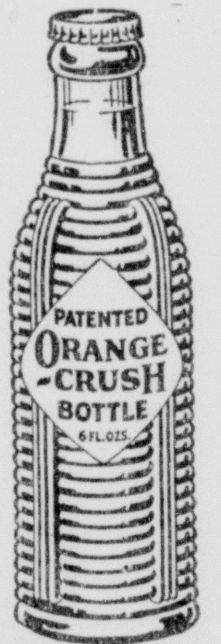

"When Summer Comes" and the Hot Days close down with searching heat and humid hours the thoughts of everyone turn to sparkling, thirst quenching beverages such as we manufacture in multiplied thousands of cases every year for Milam county people.

The Crush Family

Meet the Crush Family of soft drinks bottled for the home in cases. Brings all the thirst quenching qualities of the Soda Fountain to your home. The Crush drinks are sold in thousands of cases to families in Cameron and Milam County. The telephone will bring a case to your home by prompt delivery. Number 89 on the Telephone will bring the "Crush Family" to your ice box.

A GREAT INDUSTRY

By reason of the increasing popularity of soft drinks, because they are made in so many attractive flavors and vintages, the bottling works plant has taken its place among the formidable industries of America. Because we make a product that is universal in its use, thoroughly wholesome and healthful we stand first among brewing industries and are serving annually millions of families throughout the country.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to
Bring Back Color and
Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

ICE CREAM—THE KING OF REFRESHMENT MENTS THE WORLD OVER.

Into the manufacture of our ICE CREAM we have put the experience of years and the best knowledge of the product for which we are famous. We have produced a formula for ICE CREAM of which we are proud and believe we have contributed in a large way to home industry by this manufacturing facility.

Because we manufacture ICE CREAM that is the best to be had and because of the service we give in this product we are receiving increasing patronage and today we rank among the big Ice Cream Manufacturers of this section.

Whether it be for home use, entertainment or for Retail, our ICE CREAM meets the demand and is the kind that calls for More

Just Like It.

Orange Crush Bottling and Ice Cream Co.

In and About the Grammar School

Editor in Chief.....Henry McFadyen
Ass't Editor. Elizabeth McDermott

LIGHTING IN GRAMMAR SCHOOL.

Our building does not have the lighting it should have. There are plenty of windows but they are not in the right places to throw a good light on the desks.

On dark days more electric lights are needed, but many of the globes that were put in were stolen. In some of the rooms there are no lights at all. The Study Hall has a good system of lighting but the globes there are missing too.

THE LAST DAY OF SCHOOL.

Soon will come vacation,
Oh how happy we shall be.

A word that needs no explanation
For its joys we clearly see.

We hate to leave our teachers
Our help that pulled us through

Although sometimes like preachers
They have preached our funerals too.

School is drawing to a close
But there'll be no use to pout,

When we get reports that show
That our work was "Down and Out".

We should realize the ending
Of this term we love so dear

To succeed we were intending
And we did our best this year.

So when all our work is over
And our cards are handed out

Some will take them with a mur-
mer

Others seize them with a shout.

PEARL INGRAM.

NEEDFUL IMPROVE- MENTS CONTEMPLATED.

Last Wednesday afternoon the trustees with an architect visited the Grammar school to inspect the building and plan for the remodeling of it. This is certainly a much needed improvement. For some portions of the structure have been condemned as unsafe. The building is a fire trap, and has inadequate lighting and heating systems.

We sincerely hope this plan does

not fail and that the classes to come will not be exposed to the possible dangers we have been exposed to. Another year in this building might bring untold sorrow to our town.

THE OLD GRAMMAR SCHOOL.

The days are nubered and few
And my thoughts wander off in the blue

As I think of the time
When I'll step into line

And receive that diploma of mine.

And I think of the fast coming day
When I needs must pass on my way

And leave this old school
And its sycamores cool

And the fountains that play in the shade

Though my thoughts may be sad
and be drear,

Still, I cannot shed even one tear;
For I'm always so gay

In my work or my play
For the end of seventh grade is so near.

ALVIN MONDRIK.

MUSIC OF GRAMMAR SCHOOL.

The pupils of the fifth, sixth and seventh grades have singing every Tuesday and Thursday mornings. Miss Lemay Gibson teaches public school music and leads in the songs. Grammar school is very fortunate in having talented pupils who can play the accompaniments. These pupils are always ready and willing to do anything that they are called upon to do.

They use songs out of the "One Hundred and One Best Songs." There are some very beautiful old selections in this book and everyone enjoys them. With the co-operation of each and everyone, they have very pretty music.

REPORT OF TROOP NO 2.

All the boys in Troop No. 2 met at

the Grammar School and marched in "double quick time" to Yoe High. Here they met (Puny) Rogers who said it was too far to walk over to Grammar School and then back again.

This caused much laughter because each boy realized that it would have been impossible for Puny to get over in time to hear the most of the program.

Because of rain and hail some of the audience became nervous and left before it was over but each number was so good that they may be sure they missed something worth while.

Watch what the boys do next Friday night—it will be in the next edition.

NOTICE IN PROBATE.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Milam County—GREETING:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year

Ouch! Rub Backache, Stiffness, Lumbago

Rub Pain from back with small trial bottle of old "St. Jacobs Oil."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin.

Linger up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica. It never disappoints and has been recommended for 60 years.

in said Milam County, a copy of the following notice:

THE STATE OF TEXAS.

To all persons interested in the Estate of Frank Langer, deceased B. P. Matocha has filed an application in the County Court of Milam county on the 26th day of April 1924, for Probate of the last will and testament of the said Frank Langer, which said application will be heard by said Court on the 2nd day of June 1924, at the Court House of said County, in Milam, at which time all persons interested in said Estate are required to appear and answer said application, should they desire to do so.

Herein Fail Not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal,

at Cameron this 26th day of April 1924.

H. M. ROARK, Clerk.
County Court, Milam County.

OUR TOWN

(continued from page one)

T. W. Davidson has been placed as a result of becoming the candidate of the Union. Here is what he says:

"An analysis of the platform as announced by this farm-labor group shows that this group is attempting to insert into the democratic party's principles the same doctrines that were the accomplishments of the Non-Partisan League in their fast and furious days in North Dakota. This farm-labor group now controlling the politics of North Dakota and adjoining states is attempting to add Texas' scalp to their collection of other political pelts. Any one conversant with the rise and fall of the Non-Partisan League can recall its socialistic and radical rule while in control of North Dakota, which was totally bankrupted that state. Under the leadership of Townley, promoter and organizer, the people of

that state lost over \$70,000,000 in five years. They thought the trouble was that the railroads and the millers and speculators got all the profits. They dramatized this idea and started a campaign against big business. Townley had failed as a farmer on rented land and started his campaign against big business by borrowing an automobile and then going out telling the farmers that they should take control of the state and have their own mills and packing houses and stores and at the same time they could become rich like bankers and millers and be statesmen as well. He collected \$16 as annual dues from each of his followers. They accumulated a campaign fund of a million dollars and got possession of the state by voting together. They then proceeded to change the constitution of their state in order to create a state bank. Hundreds of bankers sought the opportunity of getting easy money from the state sources and one of the number, a tinsmith, became superintendent of banks. With post-dated checks they founded banks and chain stores and 56 newspapers to tell the story of their successes. They built a packing plant with the taxpayer's money that cost \$2,300,000 and lost \$1,300,000 in its first seven months operations. They started a \$3,000,000 oil and elevator and left it unfinished. As a result of this program state taxes trebled in five years and when the structure fell it was found to be hollow and alive with white-eyed mephitic things hostile to the principles of the democratic form of government which we have learned to believe mean that the government which governs least governs best. Every principle enunciated by the Non-Partisan League in North Dakota is now an issue for the democratic party of Texas to approve or reject. Where Davidson by subscribing to the platform of the farm-labor group has necessarily placed himself where he must defend each and all of these principles. Lynch Davidson is making his campaign upon attacking each and every one of these radical demands."

The other day Penn Wolf, district clerk and sportsman of the highest kind, received from the state game warden twelve pair of Bob Whites to aid in replenishing the quail supply in this county. These birds were taken to a near by ranch and liberated. This should be a warning to all underserving sportsmen that unless protection is given the game birds they soon will be extinct. We can imagine no greater offense against nature and the law than a ruthless hunter for the mere sake of killing to wantonly destroy the birds. Let us afford every possible protection and if possible prosecute all violators of this game law. The wilful destruction of the game birds is not confined to grown up hunters but small boys as well with their air rifles and small calibre guns. Just the other day members of the civic league while in the park found Robins which had been slain by mischievous boys. Parents should see to it that the boys do not kill these birds out of season.

PRESBYTERIAN

(continued from page one)

problems more grave than some of us have had to face. Let us help them by taking them by the hand and going with them to the school of the house of God, where they will come in touch with what they will not get elsewhere.

We, of all the churches of Cameron, are desirous of making it evident to all that all may find a place in our Bible schools. You will be made welcome and you will be extended the best of fellowship. You are really wanted. Your presence and help will be appreciated, and you will gain something from the discussions by your neighbors not only of the things of the Bible but of the bearing of these things on your daily life.

H. R. McFADYEN,
Pastor Presbyterian Church.

WE THANK YOU.

On behalf of the members of the home economics department, the faculty, the school board and the student body in general, I wish to thank the business and professional men of Cameron for their contributions which made it possible for a team of six girls, with two teachers as chaperones, to attend the State High School Girls' Clothing Contest held in Galveston last week.

Special thanks are due the Parent Teachers Association for a most liberal contribution.

The total amount raised was \$165, of which the business men subscribed \$110, the Parent-Teachers Association \$20, while the Home Economics Department realized \$26 from the sale of sandwiches and cakes. A balance of \$126 remains after the expense of the trip have been paid and same has been placed to the credit of the Home Economics fund.

T. A. FISHER,
Superintendent Cameron Schools.

MRS JOSEPHINE BARNES

Mrs. Josephine Barnes, a sister of former City Marshal Vince Lucas, was buried at Rice Cemetery Tuesday afternoon, Rev. E. S. Hutcherson, pastor of the Cameron Baptist church conducting the service.

Mrs. Barnes' death occurred at her home in Houston where she had been living since her removal from Milam county a few years ago.

She is survived by several sons and daughters.

YARRELLTON CHURCH SUPPER.

There will be an ice cream supper at the Yarrellton Baptist church, Saturday night, May 3. The public in general and the candidates in particular are invited.

The proceeds will pay for the church piano.

Tiff Moore.

One of San Antonio's oldest and best established manufacturing concerns offer an unusual opportunity to a man in position to make an investment of \$5000 or better. The concern manufactures a line of staple food products which have been on the market for 32 years, and is for sale by practically every wholesale grocer in Texas and by over 25,000 retail grocers. Investment carries with it an attractive salary and a membership on the company's Board of Directors. Possibilities for the right man unlimited. For interview write or call G. H. Burnes, President, 400-404 Gunter Building, San Antonio, Texas.

OFFICE FOR RENT—Double wall all around, 15x30. Phone 225. tf

AUTOMATIC Refrigerators

Food and Freshened Air

Perfect preservation of perishable food-stuff demands dry, clean and chilled air and only constant air circulation will produce these ideal conditions.

Foods stored in an improperly built refrigerator where the air is "dead" or inactive, will sweat, mildew and become soft. If food is eaten in this condition, the health may not only be impaired, but serious illness may result.

The air in the Automatic is constantly in action—circulation. It is always dry, clean and chilled. The Automatic actually feeds your food freshened air—giving perfect refrigeration—properly preserving all foodstuffs and assuring you of health protection.

There are two natural laws upon which the Scientific Air Circulation of the Automatic is built. First—that cold air descends and will replace warmer air which rises. Second—that air circulating over and around ice becomes purified and

freshened. These principles which are indispensable to proper refrigeration were originally developed and perfected in the Automatic Refrigerator.

Several interesting tests can be made to show how the Scientific Air Circulation in the Automatic operates. Place a dish of kerosene on the lower shelf of the Automatic. Oil spots will appear on the surface of the water in the drip pan beneath the refrigerator showing that as the air becomes recharged and freshened it also is purified and free from the oil vapor.

A wet cloth placed in the Automatic is dried by the circulating air. A match can be lighted on the inside walls.

An onion on the top shelf of the Automatic can not harm the milk and butter placed in the bottom compartment. Mixing of food odors is eliminated—the Automatic constantly Feeds Your Food Freshened Air.

Feed Your Food Freshened Air

PORCH AND LAWN FURNITURE
ALSO CAMP FURNITURE, STOVES.

As summer approaches we are all interested in good comfortable porch and lawn furniture for it is on the Porch and Lawn we stay, during the long hot afternoons. We have all kinds of porch swings, settees, rockers, porch sets. Also camp cots, Camp Stoves.

How to Avoid Grade Crossing Accidents

Automobile drivers, when approaching railroad crossings, should go into second speed. Then look and listen. Absolute control thus is assured. Stop or go ahead, as conditions warrant.

During 1923 one hundred and three persons were killed and four hundred seventy-four injured at highway crossings on the Santa Fe Railway.

These regrettable accidents might have been avoided if these motorists had been careful.

The rapid increase in these grade-crossing accidents is due to the greatly increased and general use of the automobile in the hands of drivers ignorant or willfully disregardful of the perils which attend careless driving. Sometimes it is the careless driver alone who pays the penalty, but usually innocent ones pay it in part or entirely.

Automobiles should be safer at railroad crossings than horses, because they

You are urged to give this "Safety First" suggestion most earnest consideration. Better be safe than sorry.

W. B. STOREY, President
The Atchison, Topeka and Santa Fe Railway System

News of the Churches

BAPTISTS HEAR PLEAS FOR 75 MILLION FUND

"SUN NEVER SETS ON BAPTIST ENTERPRISE" SAYS HUTCHERSON IN SERMON.

A glimpse into mission fields of Southern Baptists and a picture of world-wide gospel enterprise were the privilege of the hundreds who attended church at the Baptist church Sunday morning.

It was the closing hour for the spring canvas of the 75 Million campaign, the great financial effort of Southern Baptists whom the congregation were told are now girdling the world in a great missionary enterprise.

Speaking to a telegram from Dr. F. S. Groner, secretary of the state convention executive committee, O. L. Kidd, discussed the 75 million campaign, urging the need for payment of pledges to relieve the burden of debt from the foreign mission board. Mr. Kidd said that since the beginning of the 75 million campaign, that the foreign missionary board had sent missionaries into new countries and that people in the new countries brought under Baptist missionary effort number 125,000,000 souls. There are now 4,000,000 Baptists in the Southern jurisdiction, one million being added in the past four years under the intensive effort of the home mission board, he said.

"The sun never sets on Southern Baptists for they are girdling the world in the greatest missionary enterprise of all the ages," said Rev. E. S. Hutcherson, pastor, following Mr. Kidd in a discussion of the need for payment of 75 million campaign funds. The pastor read a telegram from Dr. Groner appealing to the church for a faithful part by its pledge for the campaign.

Southern Baptists have Baptized two million Russians since the fall of the Czar, the congregation was told. "I have boys and girls converted under my own ministry new on foreign mission fields in the heart of China, Brazil and Africa," said the pastor. "I told them that Southern Baptists would care for them. They are preaching the gospel of Christ, bearing the torch of Christian light to the gloom of heathen lands, and I for one am in on this great enterprise."

Turning from a discussion of foreign mission efforts and the success that has attended Southern Baptist enterprise, the pastor said that in addition to converting people at the rate of 270 per day in foreign lands that Southern Baptists have met the challenge of service at home and that during last year 170,000 patients were cared for in the hospitals of the church and that \$1,000,000 was necessary to meet the cost of service rendered free.

S. M. Burns in charge of the 75 million collections was at the church Sunday to take subscriptions and it was planned to send in remittance from this church Monday.

The pastor announced from the pulpit that a message had come to J. M. Ralston telling of his brother's death in Houston. A prayer was offered for the bereaved.

Jack Foster directed the orchestra in a splendid musical program at the morning hour and Miss Nell DuBois led the choir in singing some stirring gospel songs and special selections for the day.

The pastor announced that no services would be held at the church Wednesday night on account of the Methodist revival. The Baptists, he said would co-operate in every way possible.

At the close of the service one came under conversion for baptism and another to transfer membership to the local church.

Beginning at eight o'clock Sunday evening the orchestra under leadership of Prof. Jack Foster, gave a special music program while the choir under Miss Nell DuBois inspired the congregation with a half hour song service.

As announced at the morning hour Rev. Hutcherson preached only a 20 minute sermon, a special gospel appeal to the unsaved. Two were converted and came forward at the close of the service for baptism.

The Sunday night crowd was the largest yet attending a service on Sunday night. It became necessary to arrange extra chairs in the isles to seat the people.

Next Sunday is "Go to Sunday School" day in Cameron and the Baptists have set their goal at 500 for

that day. There were 440 in the Sunday School Sunday.

Five were added to the church Sunday, three by conversion and two by letter for membership.

BAPTISTS ORGANIZE FOR BETTER ATTENDANCE AT CHURCH BY MEMBERSHIP.

Following a plan selected by the Pastor Rev. E. S. Hutcherson the Baptists of Cameron are this week beginning an intensive, permanent effort among the members for a better church attendance and to invite others to the services.

The city has been divided into six districts, each with a chairman and five workers and by this arrangement instant touch will be had with some 500 or more Baptists in Cameron. J. B. White has been named chairman of the various committees; Mrs. W. H. Henley, Mr. Kuehl, J. H. DuBois, J. C. Mayfield, Mrs. John L. Denson and Mrs. J. D. Dobbins, are the six district chairmen. Workers to assist these chairmen have been selected and organization has been effected.

The district chairman will be asked to use their workers in a great effort for the Sunday service.

The districts are divided as follows: J. H. DuBois all west of the S. A. & A. P. railroad; J. C. Mayfield all south and east of the Santa Fe railroad; Mr. Kuehl's territory bounded west by Sap and East by Santa Fe, north by Brooks and Ninth and south by Santa Fe railroad; Mrs. W. H. Henley's territory bounded on west by Sap railroad and east by the Santa Fe, north by Thirteenth street line and south by Brooks and Ninth; Mrs. Denson's territory bounded on west by Sap and east by Maysfield road street, south by west thirteenth and north by city limits; Mrs. Dobbins' territory bounded on west by Maysfield road street and east by Santa Fe and city limits, south by thirteenth and north by city limits.

BAPTISTS NOW HAVE LARGEST MEN'S CLASS IN MILAM COUNTY.

To the Baptist Sunday School in Cameron belongs the distinction of having the largest men's bible class in Milam county. O. L. Kidd, is teacher of this class and E. B. Cable is assistant teacher. Sunday morning 74 men were present, the largest attendance yet had at the men's class.

When the 500 goal was set for the Sunday School this class set its goal at 50 and this was reached. Another goal was set at 60 and this goal was reached. And now the goal has been set at 100 for next Sunday May 4.

The men when the lesson has been concluded file into the auditorium and sit in the section of pews facing the pulpit.

BOARD OF USHERS NAMED FOR THE BAPTIST CHURCH.

A board of ushers for the Baptist church has been appointed by E. S. Hutcherson, pastor. The board began its work Sunday morning as an official arm of the church. J. B. White is chairman of the board and the other members are as follows: C. W. Bradbury, F. B. Cable, S. M. Burns and J. E. Collins.

The ushers in addition to seating the people will pass the collection plates, a duty formerly assigned to the board of deacons. Mr. Hutcherson has complimented the ushers on their good work for Sunday, handling the largest crowd yet seen at a Sunday night service.

COMMITTEE TRANSPORTATION NAMED FOR BAPTIST CHURCH.

As a part of the church organization to secure better attendance at the church of the members of the church and others who wish to worship at the Baptist church, Rev. E. S. Hutcherson, has appointed a committee on transportation whose duty will be to see that all persons desiring to go to church and Sunday School will not be kept away on account of not having a way to go. Mrs. F. J. Beckerman is chairman of this committee and with her is Mrs. W. H. Henley. This committee will be furnished a list of names Friday of this week for the Sunday service. The goal for the Sunday school hour has been placed at 500 and the Baptists will make an effort to reach that goal Sunday.

EPISCOPAL CHURCH.

The Women's Auxiliary of the Episcopal church held its regular meeting with Mrs. Love on Monday afternoon.

The vice president, Mrs. R. P. Jeter, presided.

Special prayer was offered for increased spiritual life and understanding of the duty of Christian women.

The program presented by the committee, chairman, Mrs. George Graves, dealt with the work of the Episcopal church of today in this diocese. An inspiring account was given, of the Stamen's Institutes conducted at Port Arthur and Houston, where men in port are furnished with a wholesome place to spend their hours off duty supplied with stationery, amusement and magazines and for a small amount of money, may secure comfortable beds.

The work among negroes, training in domestic science and nursing, being carried on in several of the large towns of the diocese with much success.

The southeastern part of Texas, including 57,000 square miles, comprise in section called the diocese of Texas, in which there are thirty parishes, and fifty one mission stations.

Next meeting's program will be, "Our Church in the Nation."

MISSIONARY SOCIETY.

The Methodist Missionary Society met in the Sunday School room on Monday afternoon for Bible Study. The Society was recently divided into two teams who will contest with each other in a Bible Question drill for six months, the winning team to be entertained by the losers at the conclusion of the contest.

Mesdames G. C. White and B. J. Baskin are team captains, and Mrs. R. H. McIntosh is leader.

Twenty-one members were present on Monday and the meeting developed much enthusiasm.

Two new members were added, Mesdames E. C. Lewis and Henry Davis.

WOMEN'S AUXILIARY

The Women's Auxiliary of the Presbyterian church met Monday afternoon in business session.

During last week Mesdames Lu Meyers and Henry Sapp attended the Presbyterian in Austin. Mrs. Sapp reported to the Auxiliary the plans for this year's Auxiliary work as provided by the Presbyterian.

BAPTIST CHURCH.

The four circles of the Baptist Women's Mission Union met on Monday afternoon in the homes of circle members as follows:

Circle one in the home of Mrs. J. C. Martin. A lesson from the Baptist Standard was led by Mrs. John Dobbins. Six members were present and a social hour with refreshments was enjoyed.

Circle two met in the home of Mrs. E. N. Casey with fourteen members present. Bible Study Questions were led by Mrs. George A. Thomas. An hour of social conversation with refreshments followed.

Circle number three met with Mrs. J. B. White. Mrs. Wm. Henderson leader read the first lesson from the new text book "In Royal Service". A social hour with refreshments followed.

Circle four met in the home of Mrs. Don Slocumb on the Ben Arnold road with sixteen members and four circle babies present. Mrs. Conn Miller led a lesson from "Royal Service." A delightful social hour with refreshments followed.

PRESBYTERIANS WILL DISMISS SERVICES ON SUNDAY NIGHT MAY 4.

Following a custom long in vogue among the churches when a revival

meeting is in progress on each Sunday night one of the churches will dismiss services.

At the conference of Pastors Monday morning it was decided that services would not be held at the Presbyterian church on Sunday night. On the following Sunday night there will be no services at the Baptist church.

Regular services will be held at the Presbyterian church Sunday morning and at the Baptist church.

"THE HOUR IS COME" SUBJECT FOR BAPTIST PASTOR SUNDAY MORNING.

"The Hour Is Come" is the subject for the Sunday morning service of the Baptist Pastor, E. S. Hutcherson. This subject, it is thought will comprehend the possibilities of Baptists in Cameron and considerable interest will be shown in the forth-coming address.

Special music program will feature the Sunday night program. Jack Foster will direct the orchestra and Miss Nell DuBois will direct the choir. Extra seating capacity will be provided for the Sunday crowd.

PRESBYTERIAN CHURCH.

The Presbyterian church is entering heartily into the "Go To Sunday School" movement and we are doing what we can to have out a number equal to our church membership on May 4th. We believe we are going to reach the goal. There will be a sermon by the pastor at the morning service Sunday that will be in harmony with what the churches are trying to do. There will be no night service at the Presbyterian church

meeting is in progress on each Sunday night one of the churches will dismiss services.

At the conference of Pastors Monday morning it was decided that services would not be held at the Presbyterian church on Sunday night. On the following Sunday night there will be no services at the Baptist church.

Regular services will be held at the Presbyterian church Sunday morning and at the Baptist church.

"THE HOUR IS COME" SUBJECT FOR BAPTIST PASTOR SUNDAY MORNING.

"The Hour Is Come" is the subject for the Sunday morning service of the Baptist Pastor, E. S. Hutcherson. This subject, it is thought will comprehend the possibilities of Baptists in Cameron and considerable interest will be shown in the forth-coming address.

Special music program will feature the Sunday night program. Jack Foster will direct the orchestra and Miss Nell DuBois will direct the choir. Extra seating capacity will be provided for the Sunday crowd.

PRESBYTERIAN CHURCH.

The Presbyterian church is entering heartily into the "Go To Sunday School" movement and we are doing what we can to have out a number equal to our church membership on May 4th. We believe we are going to reach the goal. There will be a sermon by the pastor at the morning service Sunday that will be in harmony with what the churches are trying to do. There will be no night service at the Presbyterian church

meeting is in progress on each Sunday night one of the churches will dismiss services.

At the conference of Pastors Monday morning it was decided that services would not be held at the Presbyterian church on Sunday night. On the following Sunday night there will be no services at the Baptist church.

Regular services will be held at the Presbyterian church Sunday morning and at the Baptist church.

JUNIOR LEAGUE.

Members of the Junior League enjoyed a lawn party given by Mesdames R. B. Rylander and A. C. Freeman on the Freeman lawn Wednesday afternoon. About fifty children took part in the games which

were directed by the hostesses. Cream cones and cake were served. Revs. R. S. Marshall and King Vivian looked in on the party and enjoyed seeing the Junior's being so royally entertained.

EPISCOPAL CHURCH.

During the month of May, services will be held Sunday mornings at 11 o'clock.

Sunday School at 9:45. Women's Guild meets every Monday at 4 p. m.

Evans' Corner

Let's Go!

Next Sunday is "Go to Sunday School Day."

For 27 years I've gone to Sunday School regularly and so far as I know have never been harmed. On the other hand it has been a joy and pleasure.

The man who is a regular attendant at church and Sunday school is seldom ever found arraigned before the judge for fracture of the laws.

During the recent contest between Ardmore and Temple, crime was materially decreased in Ardmore. It will be so everywhere when we form the habit of going to Sunday school. You just can't help being a better man. Let's go next Sunday. It will do you good and help you too.

Crystal Sets May Hear London Stations

It certainly would be a great surprise to many radio listeners to receive London broadcasting stations on their crystal sets. However, this and other dreams of imaginative radio fans may soon be realized when the new transmitting apparatus invented by Guglielmo Marconi, the radio wizard whose inventions made radio communication practicable, is perfected. This signal piece of construction work in the radio field, which is based on extensive experiments conducted by the inventor and his colleague, Mr. C. S. Franklin, promises to revolutionize completely the present methods of long-distance transmission. The gist of the new invention, according to Mr. Marconi's announcement at a recent meeting in London, over which he presided, is that the radio waves are concentrated in the form of beams that can be projected in any desired direction. In this way all the power can be sent in one direction, thus intensifying the strength of the signals considerably over unheard-of distances, and the electrical energy required for such directional transmission is much less than the amount otherwise used. Marconi also stated that in his recent experiments with the new method he communicated with St. Vincent, on one of the Cape Verde islands, located approximately 2,400 miles from England, with much less power than otherwise used to span this distance, and receiving the signals much more clearly, and that he was led to believe that owners of crystal sets in America would soon be able to receive London broadcasting stations. The new method may also be used to guide ships through fog.

When a wooden post or brace is to be set on a smooth concrete floor, it often becomes a problem how to make it stand securely without the danger of slipping. If two or three 1/4-in. holes are chiseled in the concrete and nails driven into the bottom of the post, until about 1/2 in. of the head end is exposed and in such a position that they will project into the holes in the concrete, the post will not slip.

Ties Baby Buggy on Cane to Replace Pushcart

Fitted on the end of a walking stick, a small baby carriage has been invented by a father who got tired of using the ordinary pushcart. When not in use, the carriage folds up flat so that it can be carried readily. It runs on two wheels, the fabric being stretched over a collapsible frame.

Bird Songs Like Human Talk According to Naturalist

Study of the sounds made by birds is urged by a scientist who declares their utterances resemble human talk. He said that these songs or one-syllabled calls, have inflections of pitch and emphasis closely resembling the same phenomena in the speaking voice and that at times the whistles, chirps or twitters, resemble human words. The building up of a dictionary of bird sounds with reference to their pitch, intensity, speed, form, expression and timbre was urged.

Serum to Dissolve Cancer Tested by Doctors

After ten years of study and experiments, two Vienna physicians have announced that they have found a substance which dissolves cancer cells. In healthy persons they found that the blood serum is able to carry away the growths. The vital fluid of the victims of the disease, however, lacks this power. After many tests, a culture was made that is said to dissolve the malignant cells. It is declared to be an organic acid, the formula of which is carbon, 42; hydrogen, 76; oxygen, 7.

stance which dissolves cancer cells. In healthy persons they found that the blood serum is able to carry away the growths. The vital fluid of the victims of the disease, however, lacks this power. Discouraging Broody Hens

Hens may be completely discouraged from wanting to set by placing them in sacks and hanging these on the clothesline, as shown in the drawing. This method usually effects a cure in about three days, and even the most stubborn hens will yield in four days. The sacks should be as thin as possible to allow free circulation of air. Common burlap sacks, loosely woven, are excellent for this purpose. A New Hampshire farmer who used this method instructed his children and the hired help to give the sacks a swing every time they passed under the

line to make it still more uncomfortable for the hens.

When a considerable portion of the bark around a wounded tree is knocked off the tree is very apt to die. This can usually be prevented, however, by dressing the wound, that is, by cutting down the ragged edges and giving the exposed portion a liberal application of melted paraffin.

For All the Family

"WE have used Black-Draught ever since we have had a family and that was shortly after 1874," says Mr. E. A. Branstetter, of St. James, Mo. "It is my first remedy when any of us gets sick. . . . We use Black-Draught for torpid liver and stomach complaints.

"When I get sluggish and don't feel so good, I take Black-Draught—and you have to show me that there is a better medicine

in Missouri. I think it is fine for indigestion or for headache. It is a splendid family remedy. My wife uses it for any stomach ailment, indigestion and biliousness. We never let the house be without it if I know it. We also give it to the children for children's complaints, colds or fever."

Keep a package of Black-Draught in the house for all the family.

Your dealer will sell you a mammoth package, containing five of the regular-size packages. It's cheaper.

SOCIETY NEWS

BY MRS. JEFF T. KEMP

CAMERON STUDENTS HONORED BY GALVESTON TRIP.

A free trip to Galveston was given to six students for their patient work in the Sewing Department. The girls who went on the trip were Frances Morrison, Nora Adams, Kathleen Baggett, Dorthy Davis, Amy Kinard and Missie Tyson. Misses Hightower and Pitts, Domestic Economy and English teachers, were the chaperones.

The six girls with their chaperones left Cameron Wednesday afternoon, April 23, arriving in Galveston at 9:45 p. m. The Galveston people were very hospitable to all contestants. Thursday morning was spent mostly in sight seeing and work. Thursday afternoon, the contestants were honored by a boat ride, given by the Galveston Chamber of Commerce. Upon returning from the boat ride, the girls were taken to East Beach for a beach party, given by the Parent-Teachers Association. While the band played, everyone enjoyed sandwiches and the toasting of marshmallows and wienies.

Friday morning the feature judging took place in the private dining room in the Galvez Hotel. Friday evening a banquet, compliment of the different clubs of Galveston, was given. Friday afternoon, the girls went bathing in the Gulf, a feature which was thoroughly enjoyed.

Saturday morning at 9:00, the Practice Style Show opened by music furnished by Shaw's Orchestra, was held in the City Auditorium.

The first number in the Style Fashion Show was a Fashion Book Show dating from 1845-1915, given by two women and children of Galveston. After this, Mrs. Mason Webster, gave an address, "A Message from Galveston." The Style Show of 1924, made up of all the contestants who came to Galveston, then took place, after which the feature awards were given. Cameron's representative Kathleen Baggett, won second place in the sheer wash dress, Section C. A number of prizes, an electric sewing machine, two tea wagons, and two sets of silverware, were awarded to the schools acquiring the most points.

The tired but happy crowd returned to Cameron Sunday morning at 3 o'clock.

The girls and the teachers who made the trip wish to thank the Parent-Teachers Association, the business men of Cameron, the students of the D. E. Club, and any others who made contributions, for their aid and financial help which made it possible for the Cameron students to enter the contest.

MRS EDWIN YORK ENTERTAINS.

A party of unusual charm in distinctive springtime appointment Saturday afternoon had as hostess Mrs. Edwin York. The home was a bower of beauty with ferns and springtime flowers in varied hues.

Seven tables enjoyed playing 42. Each table followed a flower motif in covers, tallies and appointments, the favored blossoms being violets, sweet peas, yellow roses, daisies, pink roses, peach blossoms and blue birds with pink roses.

Table favors were hand painted perfume bottles in the chosen designs the handwork of the talented sister in law of the hostess, Mrs. R. E. Higgins of Dallas.

On the cut these were awarded as follows: Violet to Mrs. Alex Triggs, sweet peas to Mrs. Noah Kennedy, yellow roses to Mrs. Hubert Hefley, pink roses to Mrs. Ralph Fox of Bloomington, Ill., daisies to Mrs. Paul Webb, blue bird with pink roses to Mrs. Simmie Burns, and peach blossoms to Mrs. J. A. Smith.

For the refreshment course eyepe paper covers in the chosen designs were laid at each table and a dainty course with cherry cream was served, plate favors being the selected flower.

Assisting the hostess were Misses Winnie Henderson and Juanita Caldwell who cut for a forgetmenot perfume bottle and Miss Winnie Henderson was fortunate recipient of this favor of the hostess.

RECITAL FRIDAY NIGHT.

Intrest is manifest in the forthcoming recital of the piano pupils of Mrs. Paul Webb assisted by the expression class of Mrs. Edwin York to be given Friday night at the Yoe High school.

Twenty-five numbers are on the program and the auditorium is expected to be filled with patrons and their guests for this recital.

DODGE DEALER SELLING MANY NEW CARS HERE.

Pope Sapp, agent for Dodge Brothers cars in Cameron and with the Decker Motor Company reports the sale of the following cars for the month of April: Ed. Simms, Rockdale, Dodge Coupe and Dodge Sedan; R. B. Pool, Cameron, Dodge Coupe; A. R. Triggs, Cameron, Dodge Sedan; J. H. Sapp, Dodge Touring car, Cameron; C. D. Wall, Rockdale, Dodge Touring; Sun Oil Company, Dodge Roadster.

HISTORY CLUB.

Members of the Cameron History Club and their invited guests enjoyed a picnic in the Wilson-Ledbetter Park on Tuesday afternoon. Springtime days, Springtime ways gave the keynote to all the stunts on the program.

Music was furnished by an unorganized band and poems and essays were contributed.

The lunch committee received many compliments for their wonderful eats provided.

Among the guests were Mrs. H. G. Patton, Mrs. S. M. Burns, Mrs. G. H. McGehee, Mrs. Geo. A. Thomas, Mrs. Giles Avriett, Mrs. Rush Thomas, Mrs. Tom Henderson, Jr., Mrs. Warren Stone of Mt. Clemens, Mich., Mrs. E. S. Hutcherson, Mrs. John A. Smith, Mrs. B. B. Cobb of Sherman, Misses Sallie Kate McLane, Susanah Jackson, Lilian Atkinson, Mary Randolph and Lucile Dickard.

MEMORIAL SERVICES.

The inclement weather of Saturday caused a postponement of the memorial exercises planned by the local chapter of United Daughters of Confederacy until Sunday afternoon. A wealth of flowers and flags for every grave were provided by the Chapter.

The exercises were held under the shade of the trees on the Paden lot and were attended by many interested friends of the following Confederate Veterans: Messrs. Calvin McLane, A. J. Jackson, Edward F. English, L. W. Harris and M. W. Mitchell.

The roll call of the soldiers of all wars buried in Cameron cemeteries was read by Rev. H. R. McFadyen.

Judge Jeff Kemp introduced Messrs. Jackson, English, Mitchell and Harris who made most interesting talks about their Civil War experiences. All the children present assisted with the decoration ceremonies.

BRIDGE PARTY.

"The Easter Lily motif was attractively featured in the bridge party given Friday afternoon by Mrs. Fritz Fabrendorff honoring the Cameron Bridge Club and Mesdames Ralph Fox of Bloomington, Ill., and Warren P. Stone of Mt. Clemens, Michigan.

Lilies gave floral decoration and furnished the key not for the color scheme of green and white in all bridge appointments and accessories.

Guests for the afternoon other than club members and honor guests were Mesdames Vernon McIntyre, Buck Bonds, S. A. Cottle, H. G. Patton, B. P. Matocha, Misses Gladys Watson, Jeff Lewis, Sallie Kate McLane, and Elizabeth Rischar.

Mrs. Oxshoe Smith won the trophy for high score and Mrs. Warren Stone the consolation.

A delicious salad and ice course was served after the games, the trays bearing Easter lilies tied with bows of green maline.

PRISCILLA CLUB.

Mrs. Dan Tyson was hostess to the Priscilla Club on Thursday afternoon. Twelve club members were present and with them the following guests, shared the afternoon's pleasures: Mesdames Wiley Mangum, Lloyd Mitchell, Ralph Fox of Bloomington, Ill., J. H. DuBois, S. R. McCown, Conn Miller and Miss Willie Hefley.

The little daughter of the household, Miss Helen Jane Tyson, delighted the guests with several piano selections.

Assisted by her sister, Miss Willie Hefley and Mrs. Henry Hefley, the hostess served a tempting salad and ice course.

42 PARTY.

The home of Mrs. Rush Thomas was the scene of a beautiful hospitali-

ty on Saturday afternoon. A wealth of pink and red roses and sweet peas made the parlors unusually attractive. Three sisters, Mrs. Rush Thomas, Mrs. Vernon McIntyre and Miss Aetna Smith, were joint hostesses to a group of friends invited for the popular game of forty-two. Game tables were covered in pink and yellow, and tally cards in designs of butterflies and roses. Winners of games found rewards in the "grab bag" where vari-sized packages containing household conveniences made happy the recipients.

At the conclusion of the games Mrs. Leland Green received prize for high score. Mrs. Patton for low score and Mrs. Buck Lewis the booby prize.

An attractive salad and ice course was served.

BIRTHDAY PARTY.

Mrs. O. L. Kidd gave a charming party at 4 p. m. Friday afternoon honoring the fifth birthday of her little daughter, Winnelle. The home was adorned with pink roses.

About forty little boys and girls responded to the party invitation and they showered the little honoree with appropriate gifts and good wishes.

Mesdames Andrew Freeman, W. L. Wilson, Joe Denson and Miss Isabel Redfield assisted with the games, story telling and other amusements provided.

A handsome birthday cake was cut and the luck symbols went to the following:

Ring, Ralph Fox.
Wishbone, Walter Fox.
Jockey, Billie Marek.
Thimble, Mae Griffith.
Heart, Jane Tyson.
Button, Helen Ryan.
Anchor, Dorothy Kidd.

Ice cream cones and cakes were served on the lawn, and a bright colored balloon given to each child and made a grand finale to a beautiful party.

MISS MARIE CAHILL AND GUEST ENTERTAINED.

Miss Marie Cahill, student of St. Mary's College, Austin, came home for the Easter holidays accompanied by a classmate, Miss Mary Hollon Hagerty of South Bend, Indiana.

During their stay a number of hospitalities honoring Miss Hagerty were of unusual interest, beginning with an informal dinner Saturday evening with Miss Cahill as hostess. Covers were laid for twelve guests. The affair was informal, the decorations of dining room and parlors were quite artistic, beautifully carrying out the Easter motif and lending the festive Easter look to this well appointed home.

After dinner the guests were entertained by Miss Hagerty at the piano, who's rare talents were attested by her beautiful rendition of several selections, especially "Humoresque" and "In April."

On Sunday afternoon Miss Mary Gleason entertained with Mah Jongg, also serving an ice course honoring both Miss Cahill and Miss Hagerty. This affair assembled quite a number of friends of both the college girls.

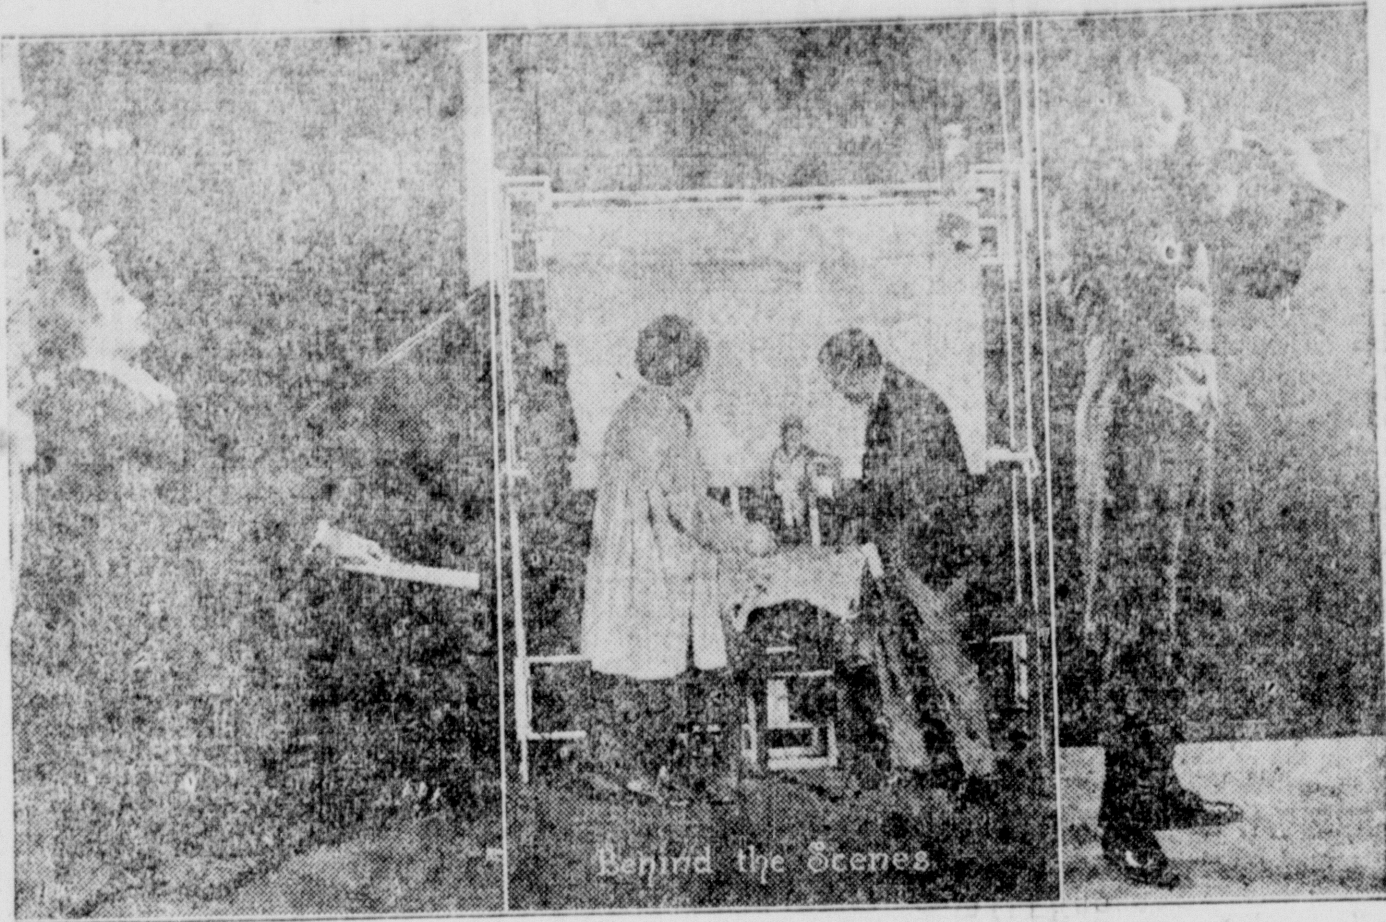

On Monday afternoon a luncheon at the Auditorium Hotel, Cameron, followed by a theatre party ended the entertainment of the two beautiful and talented girls. Miss Hagerty's gifted conversation and winning personality made for her many friends while here and will leave many happy memories of her charm which graced the delightful social affairs in her honor.

Miss Cahill and her guest left in the evening for Waco where they were the guests of Miss Ruth Duffy for a day before returning to their studies at Austin.

Gay Mandarin Coats for Semi-Sports Wear

Among the things that promise a summer of joyous clothes, the cheerful mandarin coat stands well toward the front. It is an adaptation of the colorful and rich oriental garment, made of printed silk or other figured fabric and worn with a light frock that uses the same material for bandings and trimmings.

CLEMEN'S MARIONETTES

A Real Marionette Show with a Musical Program of Impersonations of Great Masters at Chautauqua.

DISTRICT COURT NEWS.

(continued from page one)

to be and appear in Cameron, Monday May 5th 1924, at 9 o'clock.

Jim Coleman, Cameron; B. R. Thompson Sharp, D. H. Slaughter, Cameron, J. A. Moore San Gabriel, R. E. Mays Maysfield, George Odum Buckholts, J. A. Whitley Fort Sullivan, T. F. Criswell Buckholts, S. R. Cochran Gauss, Ed. Cahill Burlington, Lesser Newton, Milano, H. C. Henderson Burlington, W. E. White Rockdale, J. H. Franklin Thorndale, R. F. D., E. S. Simmons Hicks Rt. 1, J. M. Gilchrist Thorndale, R. F. D.

The case of the State of Texas vs. Jim Davis is now on trial, the defendant being charged with unlawfully transporting intoxicating liquor. The jury sitting on this case is as follows: H. N. Harris, A. B. Buffington, W. G. Lock, A. R. Avriett, Barney Carlton, G. C. White, Grady

Stidham, A. L. Bell, E. T. Hightower, J. M. Terry, M. C. Fox.

This case is attracting unusual attention on account of the prominence of the defendant who has lived in Milan county for nearly 60 years. The defendant is represented by E. A. Camp of Rockdale and Henderson, Kidd and Henderson of Cameron, the State by County Attorney Jack Lewis.

The March term of the District Court closes Saturday May 3rd 1924 and the May Term will start Monday May 5th 1924.

W. Wheatley deputy naturalization examiner will be in Cameron May 9, at which time he will hear all petitions pending for Citizenship. All parties having such business pending are requested to appear on May 9th, at 9 o'clock a. m. and bring with them their original witnesses.

The March term of the District Court which adjourns May 3rd has been an unusually busy term, many

criminals, civil and divorce cases having been disposed of.

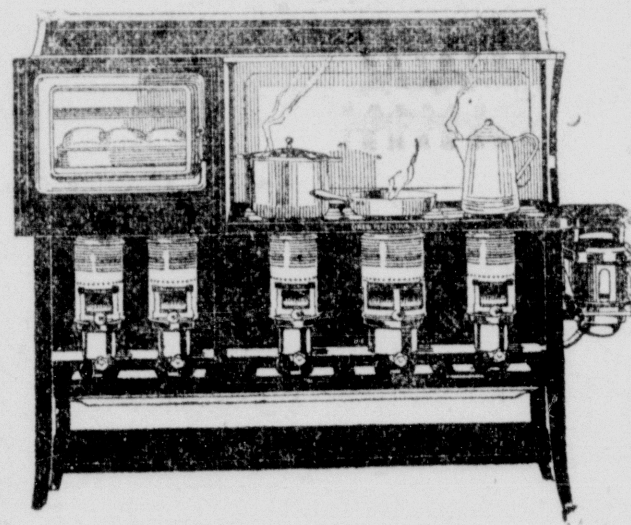

CARD OF THANKS.

To those who came to us in our hour of bereavment over the death of our sister we desire to extend our heartfelt thanks and to say that their many acts of kindness will never be forgotten. Those who assisted us are among our friends both in the city and in the country. Every possible kindness was shown and the words of sympathy have helped us to bear up under the burden of sorrow.

Especially do we wish to thank those who assisted in the funeral arrangements, undertakers for their kindness and consideration and to the minister, Rev. E. S. Hutcherson, and all who gave flowers and assisted in any way. May such sorrows as we now feel be far removed from each of you.

NEGRO SHOT TO DEATH BY BELLFALLS POSSE

WILEY FISHER, TEMPLE CITY MARSHAL, SHOOTS NEGRO THROUGH THE HEAD.

Joe Anzonio, 24-year old negro, was shot to death in a seed house two miles east of Bellfalls yesterday afternoon after he had fired upon officers and defied a posse of about 75 men and then barricaded himself in the structure. Chief of Police Wiley Fisher of Temple shot the negro through the head with a 30-30 rifle at close quarters just as the negro raised from behind a barricade of seed sacks with his pistol to shoot the officer.

The negro is said to have quarrelled with his employer, Jim Greenway, prominent Bellfalls farmer, yesterday morning. He had been in a contrary mood with his employer for several weeks because Mr. Greenway had refused to give him money to get a mail order pistol out of the postoffice. The negro obtained the pistol, a high-powered army Luger and had practiced until he was an expert marksman. He drew the gun and ran Mr. Greenway from the farm yesterday morning. Falls county officers were called and the negro took up a position on a cliff and opened fire on the party of officers. He shot at a deputy sheriff from Marlin nine times, clipping the officer's hair with one shot. The officer shot four times in an effort to dislodge the negro.

A hurried call was sent to Temple for officers to come with rifles and two automobiles loaded with officers armed with rifles went to the scene at 12:30. The expert marksmanship of the negro had spread terror in the group of 75 or more men and none dared to go close. When additional forces arrived from Temple and a few from Troy, however, the search for the negro was renewed. Some thought he had gone down the brush-skirted creek and officers Irvin and Ham searched this section for several yards while the crowd trembled for their safety, fearing that the negro would fire from ambush.

In the meantime Chief of Police Fisher and Deputy Sam Smith followed a trail to the big seed house where 750 sacks of cotton seed were stored. As the crowd approached the seed house the negro was heard scratching about to fortify himself among the sacks. One young farmer offered to enter the building with Fisher and Smith to "back them up" but he was told that it would be foolish to risk too many lives as it was known the man was in there, fortified and well armed.

Cautiously the two men walked through the aisle of seed sacks, expecting momentarily to hear the crack of the negro's gun. The negro, however, was so located that he could not fire without raising above the sacks. Smith passed within 10

feet of him without knowing it and called to Fisher, "That man isn't in here."

Just then Fisher thought he saw a man hiding at the other end and called back, "Wait, I think I see him." With his rifle cocked Fisher approached to a distance of about 20 feet of the negro's hiding place. With a bead on the crouching body he called, "Stick your hands up or I'll shoot your head off." The hiding fugitive apparently thought this was just talk and decided it was time to shoot. Slowly he raised his head and drew his right arm in a position to fire. The blue steel of the negro's rifle-like automatic pistol gleamed in the semi-darkness and Fisher's rifle cracked. The negro had miscalculated for Fisher did have him spotted and was not "just talking." The fugitive fell back across the sacks dead, clutching his pistol in a death grip; the rifle bullet had penetrated his forehead just above the right eye, plowed through his skull and furrowed through the muscles of his shoulder.

The body was turned over to the Falls county authorities.—Temple Telegram.

CARD OF THANKS.

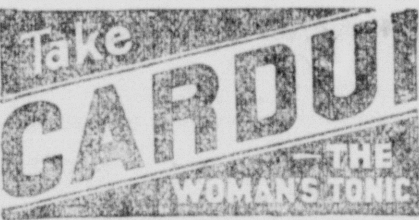

We desire to express our hearty appreciation to the many friends who so faithfully ministered to the wants of our mother, "Grandma Barmore" during her last illness and for the many beautiful floral offerings. James S. Barmore. Mr. and Mrs. John C. Gould.

GET AT THE CAUSE.

Many Cameron Folks Are showing How to Avoid Needless Suffering.

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the atten-

dant backache, headache and dizziness, life is indeed a burden. Doan's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Cameron people. Profit by this resident's experience! Profit by this Cameron resident's experience!

S. E. Fitts, merchant, Nolan Ave., says: "My kidneys were giving me a lot of trouble. My back seemed to ache all the time and the muscles

were sore and lame. I was sore across my kidneys and felt played out. I read about Doan's Pills and after using about two boxes of Doan's, all those disagreeable conditions left. I advise any one who has kidney complaint to try them." 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

- And all germ-carrying insects

Henderson

TEXAS CROWNED WITH A SINGLE STAR OF GLORY.

O, great and glorious Texas,
Your hand must turn the page,
Written with a pen of glory,
That will tell the future age,
Of the ashes of the martyrs
On San Antonio's street,
And Goliad heroes murdered
In a morning fair and sweet.

You must carry down the future,
Through each eventful year,
The record of brave Dawson
And the fatal beans of Mier,
You must tell the thrilling story
Of that bloody Mexic fray,
Where your sabres gleamed in glory
On the walls of Monterey.

You must sing unto the ages
How great heroes bore your star,
Ere our Southern Flag was folded
At unjust demand of war,
And your hand, O greater Texas,
Must reach the weed-grown plain
Of San Jacinto's Battlefield,
And o'er the noble slain.

Spread out a civic beauty,
Displacing thistles tall,
Till velvet grass and blossoms
Shall be our heroes' pall.
It is your priceless duty,
Refined Alamo to keep,
And rear the marble tributes
Where your mighty children
sleep.

O'er Williamson at Wharton,
And De Zavala brave,
At rest near San Jacinto,
In long neglected grave—
O'er Smith asleep at Richmond,
Where woodland breezes blow—
The last heroic messenger
From blood-washed Alamo.

O'er Milam and o'er Bowie,
You must voice your mother
grief;
Travis and o'er Crockett,
And o'er Long your martyr chief;
O'er that noble woman,
O, by the ice-bound bay,
awaited his return
On lonely night and day.

with the savage,
food and rest,
bore the baby
despairing breast.

NOTICE IN PROBATE.

THE STATE OF TEXAS.
To the Sheriff or any Constable of
Milam County—GREETING:
You are hereby commanded to
cause to be published once each week
for a period of ten days before the
return day hereof, in a newspaper of
general circulation, which has been
continuously and regularly published
for a period of not less than one year
in said Milam County, a copy of the
following notice:

THE STATE OF TEXAS.
To all persons interested in the
Estate of Frank Langer, deceased B.
T. Matocha has filed an application
in the County Court of Milam county
on the 26th day of April 1924, for
Probate of the last will and testa-
ment of the said Frank Langer, which
said application will be heard by said
Court on the 2nd day of June 1924,
at the Court House of said County, in
Milam, at which time all persons in-
terested in said Estate are required
to appear and answer said applica-
tion, should they desire to do so.

Herein Fail Not, but have you be-
fore said Court, on the first day of
the next term thereof, this writ, with
your return thereon, showing how
you have executed the same.

Witness my hand and official seal,
at Cameron this 26th day of April
1924.

H. M. ROARK, Clerk,
County Court, Milam County.

By J. O. Hughes, Deputy. 52-2t

SHERIFF'S SALE.

THE STATE OF TEXAS
County of Milam.

Notice is hereby given that by vir-
tue of a certain Alias Execution
issued out of the Honorable County
Court of Bell County, of the 31st
day of March, 1924, by Tom DuBose,
Clerk of said Court for the sum of
Five Hundred Seventeen (\$517.68)
68-100 Dollars and costs of suit, un-
der a judgment, in favor of Garret O.
Wendt in a certain cause in said
Court, No. 5587 and styled Garret O.
Wendt vs. Theo. P. Whittington et al
placed in my hands for service, I,
Chas. Sens, as Constable of Precinct
No. One Milam County, Texas, did on
the 17th day of April, 1924, levy on
certain Real Estate, situated in Mi-

lam County, Texas, described as fol-
lows, to-wit:

A portion of the Miguel-Davilla 11
league grant, Patent No. 126, Vol. 23,
and described as follows:

Beginning at a stake set for the
S. E. cor. of the W. H. White old
tract in said Davilla grant, in the Da-
villa and Rogers public road, and
running, Thence N. 70 W. 596 vrs.
a large P. O. for the S. W. cor. of
this tract, same being also the S. W.
cor. of said White old tract; Thence
N. 19 1-2 937.3 vrs. to a stake set
for the N. W. corner of this tract
Thence S. 70 E. 608.3 vrs. to stake
set for the N. E. cor. of this tract
and in the east line of said White old
tract from which a P. O. 6 in. bears
N. 50 E. 5 feet and mesquite 4 in.
bears N. 20 W. 13 feet and a 12 in. P.
O. on the next succeeding course is
distant 18 feet; Thence S. 20 W.
937.5 vrs. to the place of beginning,
containing 100 acres of land; however
there is reserved and excepted out of
said above described tract of land a
strip 20 feet wide off of the entire
east side thereof for a public road.

And levied upon as the property of
Theo. P. Whittington and that on
the first Tuesday in June 1924, the
same being the 3rd day of said month
at the court house door of Milam
county, in the City of Cameron,
Texas, between the hours of 10 a.
m. and 4 p. m. by virtue of said levy

and said Alias Execution I will sell
said above described Real Estate at
public vendue, for cash, to the highest
bidder, as the property of said T. P.
Whittington.

And in compliance with law, I
give this notice by publication, in the
English language, once a week for
three consecutive weeks immediately
preceding said day of sale, in the
Cameron Herald, a newspaper pub-
lished in Milam county.

Witness my hand, this 17th day of
April, 1924.

CHAS. SENS,
Constable Precinct No. 1, Milam
County, Texas. 50 St

**SULPHUR CLEARS
ROUGH, RED SKIN**
Face, Neck and Arms Easily
Made Smooth, Says
Specialist
Any breaking out of the skin, even
fiery, itching eczema, can be quickly
overcome by applying a little Mentho-
Sulphur, declares a noted skin special-
ist. Because of its germ destroying
properties, this sulphur preparation be-
gins at once to soothe irritated skin and
heal eruptions such as rash, pimples and
ring worm.
It seldom fails to remove the torment
and disfigurement, and you do not have
to wait for relief from embarrassment.
Improvement quickly shows. Sufferers
from skin trouble should obtain a small
jar of Rowles Mentho-Sulphur from
any good druggist and use it like cold
cream.

and said Alias Execution I will sell
said above described Real Estate at
public vendue, for cash, to the highest
bidder, as the property of said T. P.
Whittington.

Texas Writer Gets "Close-up" of Underwood

Because of the approaching precinct primaries for the selection of delegates to the state democratic convention, and because of the unfair and unwarranted attacks being made by some including the governor on Senator Oscar W. Underwood, candidate for the democratic nomination for President, we reproduce here and interview with the Alabama Senator.

Max Bentley, former managing editor of the Houston Chronicle, wrote this interview, and if read in the light of impartiality, will convince all of the availability of this Alabama Senator who eight years led the party in the greatest achievements of the century under Woodrow Wilson:

This writer is a member of Senator Oscar W. Underwood's advisory committee in Texas, and what he has to say here about the distinguished Southerner and his candidacy for the democratic nomination is offered very frankly with the Texas precinct convention of May 3, in mind. Underwood ought to win the Texas delegation, he ought to be nominated at New York, and he ought to be elected president of the United States.

In the capital of the nation the Alabamian is held in the very highest regard. Here is an incident that illustrated that point. Official and everyday Washington flocked to the senate two weeks ago to hear the opening of the partisan debate on whether President Coolidge has made good.

The debate was well announced. It drew packed galleries and a large attendance of senators. The fireworks display was up to form. Senator Watson, of Indiana, poured out a whole hot house of choice tributes to the president, while Senator Reed of Missouri caustically responded.

During a lull, the senate minority leader entered the chamber and spoke a few business-like words on the pending immigration bill. From that moment the debate on Coolidge began to fizzle out and real business was taken up. Underwood of Alabama thought it was time for the senate to get down to some work.

The press gallery thought so, too. When Senator Underwood arose to state his own position in favor of restricted alien immigration, one of the correspondents, the dean of the gallery, said with obvious relief: "Underwood is talking. Now we'll hear some horse sense." Approving murmurs came from a dozen other correspondents.

A few days later this writer attended the Friday afternoon conference of President Coolidge with the correspondents. Only a handful were present, and the affair was perfunctory to a marked degree. A veteran correspondent was asked why.

"He doesn't say anything. Coolidge is a nice fellow, only he's not there," was the answer. "The democrats can run him into the Potomac this fall if they nominate the right man."

"Who is the right man?" "Underwood or John Davis, and Davis hasn't a show for the nomination."

"How about Underwood?" "He is first or second choice in practically every state of the Union."

As the correspondents trooped down Pennsylvania Avenue they discussed the situation in the democratic party, and it was their unanimous verdict that Underwood is the only democrat, except Davis, who can win the presidency from Coolidge.

Later this writer spent two hours with Senator Underwood, in the G. Street home which the senator and his wife occupy. It is a comfortable but modest stone dwelling, noted for its association with the memory of a Titanic victim, the heroic Archie Butt, its former occupant. A jet black negro butler led the way to the study where the senator entertains his callers.

The Alabamian was in good spirits. He ventured no prediction of his success as the South's own candidate for the democratic nomination, but he freely answered every inquiry. And answered it in the direct and frank way which he has. The first question related to the Ku Klux Klan.

"To what do you attribute Mr. McAdoo's victory in the Georgia primary?"

"The solid vote of the Ku Klux Klan in the state of its origin, rigidly organized against me, supplied a decisive balance of power."

The New York World editorially called the Georgia result a "victorious defeat" for Underwood, saying that "there were worse things than losing a presidential campaign. If the courage and steadfastness of Mr.

Underwood against all secret conspiracies aimed at enforcing upon candidates obligations that can not be made public, find recognition in the platform and nominee of the democratic party, he will have done a national service. To win such a fight for Americanism would crown a great career."

Senator Underwood is not merely a foe of invisible government. He is the one outstanding and outspoken foe of the klan, and if he wins at New York, the victory will be the first national rebuke the klan has received. It is equally true that the klan in the South has made Mr. McAdoo its candidate, and that Mr. McAdoo, whether he solicited or relishes the role or not, will go before the national convention as the candidate of the klan. Underwood and McAdoo represent the two extremes in that respect. Underwood's Alabama delegation (he named every member thereof) will open the fight in the New York convention for the adoption in the platform of the anti-Klan-Nothingism plank of 1856.

Continuing the writer's interview with Senator Underwood:

"Might you, if you cared to, join the klan?"

"Yes—if I cared to, I am eligible."

"You are a Gentile?"

"Yes."

"And a Protestant?"

"Yes, an Episcopalian all my life, and my father before me."

(The Senator is, moreover, thirty-third degree Mason. He was a guest recently at the dinner given by the sovereign grand commander of Scottish Rite bodies, to Sir Alfred Ribbins, England's highest Mason, in Washington.)

The high points in American political discussion now hinge on oil and immigration. Senator Underwood was asked two questions.

"What is your position on Teapot Dome and the oil investigation?"

"It is only necessary to refer you to my speech in the senate of January 30, 1924," he answered. "I said that we must open the door wide and punish the guilty. When an officer, charged with the great responsibility of government, deals with the recipients of governmental bounty for his own benefit, the fraud stands apparent on its face. No government can survive where the people who live under it lose faith in the governing bodies of the country. The only way that faith can be sustained is by men who hold public positions removing themselves entirely from personal gain by greed or graft in the administration of public office."

"How do you stand on restricted immigration?"

"I have always favored it. I was the first member of congress to offer an amendment to an alien bill setting up an educational test of immigrants. I voted to override President Taft's veto of the literacy test. I shall support the present immigration bill."

(A few days after this conversation Underwood voted aye on the

amendment abrogating the gentlemen's agreement with Japan, the effect of which is to knock out altogether Japanese immigration to our shores.)

"Senator, please explain once more your position on the prohibition amendment." His answer was:

"When that issue went before the people as an amendment to the federal constitution I opposed it because I thought the result could be better achieved along a different line. It was not consistent with my idea of local self-government. But the decision was given in the form of the eighteenth amendment. Prohibition by federal enactment now is the supreme law of the land, and we be to any public officer who seeks to break down the law by refusing to enforce it! It has become my law and I would enforce it in its entire integrity. I know of no reason why any man should doubt my stand on that question."

"What has been your stand on labor question?"

"The record is the best answer. I voted for the federal vocational act and against the Esch substitute for the La Follette hours-of-service act for railroad employees. I voted for the employers liability bill, the Clayton injunction limitation bill, the bill to establish the board of mediation and conciliation, the anti-trust act declaring labor not to be a commodity or article of commerce, the seaman's act, the bill to establish an eight hour day for employees of carriers engaged in interstate commerce, the women's minimum wage bill for the District of Columbia and many others calculated to promote the well being of the toiler."

Announcement of his candidacy for the democratic nomination was received with satisfaction by the editors of the nation, even the republican editors joining in the universal tribute. Here are a few characteristic comments:

"All the democrats would have to do to retire the party in power would be to nominate a citizen of the capacity and character of Oscar W. Underwood."—Boston Transcript.

"Sane, sound and conservative."

Underwood recalls the traditions of the better days of the democratic party."—The Independent, New York, a radical publication.

"Senator Underwood is handicapped by the reputation of being a good man."—Toledo Blade.

"Underwood is entirely fit, a man of sagacity and sense."—Philadelphia Public Ledger, a republican paper.

"Well-fitted to become president of the United States."—New York Times.

"Underwood is one of the ablest men in national government."—Cleveland Plain Dealer.

"No man in the South has such a hold on the confidence of the public at large, the country over, as this man from Alabama."—The Duluth (Minn.) Herald.

"Underwood of the democratic candidates would have the best chance of winning the election. He would carry the East and South and have 257 electoral votes, and would need only nine more to be elected."—Chicago Tribune.

Senator Underwood's candidacy has been commented upon by every editor in America. In not a single incident has his ability, his high integrity, his general fitness for the presidency, been questioned.

Texas, it is hoped, will consider

that significant fact when she instructs her national delegation. If there is one outstanding statesman in this country of a somewhat higher order than any other statesman, it is Underwood. Nobody will deny that seriously.

MUNICIPAL BAND SCORES TRIUMPH IN BIG CONCERT

BOY SCOUT FUND BENEFITED BY PROGRAM AT HIGH SCHOOL FRIDAY.

In one of the outstanding musical events of the year the Cameron Municipal Band scored a distinct triumph Friday night under the direction of Prof. Jack Foster in a benefit entertainment for the Boy Scouts.

The concert also featured celebrated vocalists and other musical features. The concert was held in the Yoe High School Auditorium Friday night and was sponsored by the Lion's Club of Cameron which has undertaken a program of support for the Boy Scouts.

While the weather prevented a large attendance as compared with other similar gatherings in the auditorium, the audience numbering several hundred was appreciative of the splendid program which was rendered as follows:

1. March—"National Emblem,"—E. E. Bagley.
2. Overture—Princess of India—K. L. King.
3. Tuba Solo—The Devil and the Deep Blue Sea, played by Arthur Phares.
4. March—The Progressive American—Fred Jewell.
5. Prelude—Rachmaninoff, Op. 3, No. 2 Piano Solo, Mrs. Jack Foster.
6. March—Frontier Echoes—Harry Watson.
7. Serenade—Organ Echoes—Al Hayes.
8. Overture—Royal Palm—K. L. King.
9. Selection—The Glow Worm—Paul Lincke.
10. Vocal Solo—Mack Harvey—Three for Jack—W. H. Squire.
11. Cornet Duet—Friendly Rivals—Chas. Godfrey, Jack Foster and Bennie Salach.
12. March Invercargill—Alex Lithgow.
13. Fox Trot—Maggie? Yes Ma'am, Come Right Up Stairs—Johnny Tucker.
14. The Star-Spangled Banner—John S. Smith. Every one please stand and sing.

Oh, say can you see by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars thro' the perilous fight,
O'er the ramparts we watch'd, were so gallantly streaming.
And the rockets red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
CHORUS—Oh, say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave.

CHINAMAN WALKS 800 MILES IN SEARCH OF MISSIONARY TO PREACH THE GOSPEL.

Brother B. S. Ding, Chinese student in the Baptist Theological Seminary at Louisville, relates how that a native Chinaman walked 800 miles to one of the Baptist mission stations to implore the missionary to go and preach to his home people. The missionary was busy preaching to the people of his own station and could not go, and this consecrated Chinaman had to walk the same 800 miles back home again without his request being granted.

The 75 Million Campaign is aimed, among other worthy things, to supply the funds and employ the workers for meeting just such needs as this. The world is waiting for the Gospel

and we who have it ought to invest liberally in the Campaign now that these challenging opportunities may be met.

THE STATE OF TEXAS.
County of Milam.

By virtue of a certain Order of Sale issued out of the Honorable District Court of Milam county, on the 28, day of March 1924, by Penn Wolf, Clerk of said Court against Tom Smith and Mrs. Tom Smith, Jointly and severally, for the sum of Eleven Hundred Twenty-Nine and 93-100 (\$1129.93) Dollars and costs of suit, in cause No. 9069 in said Court, styled W. B. Bailey versus Tom Smith and Mrs. Tom Smith and placed in my hands for service, I, D. S. Rogers, as Sheriff of Milam County, Texas, did on the 29th day of March levy on certain Real Estate, situated in Milam county, described as follows, to-wit:

All that certain tract or parcel of

land as follows, to-wit: Beginning at the S. E. Cor. of the 265 acre tract deeded by J. Bedach to J. R. Fraim September 12th 1910, S. 60 Thence N. 30 W. 267 vrs. parallel with the E. line of the said Bedach 265 acre tract to stake for the N. E. Cor. of this; thence S. 60 W. 235 vrs. to stake in the E. line of a six acre tract deeded by J. R. Fraim to Louis and R. C. Hafley for the N. W. Cor. of this; thence S. 30 E. 267 vrs. with the E line of the said Hafley six acre tract to a stake in the S. line of the said J. Bedach 265 acre tract for the S. W. Cor. of this; thence N. 50 E. 235 vrs. with the said S. line of the said Bedach tract to the place of beginning, containing 11 1-2 acres of land, more or less and levied upon as the property of said Tom Smith and Mrs. Tom Smith, and on Tuesday, the 6th day of May 1924 at the Court House door of Milam county, in the City of Cameron, Texas, between the hours of ten a. m. and four p. m. I will sell said Real Estate at public vendue, for cash, to the highest bidder, as the property of said Tom Smith and Mrs. Tom

Smith, by virtue of said levy and said Order of Sale.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cam-

eron Herald, a newspaper published in Milam county.

Witness my hand, this 29th day of March 1924.

D. S. ROGERS, Sheriff,
Milam County, Texas.
By P. S. Graves, Deputy 48-3t

RED PEPPER FOR COLDS IN CHEST

Ease your tight, aching chest. Stop the pain. Break up the congestion. Feel a bad cold loosen up in just a short time.

Red Pepper Rub is the cold remedy that brings quickest relief. It cannot hurt you and it certainly seems to end the tightness and drive the congestion and soreness right out.

Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into colds, congestion, aching muscles and sore, stiff joints relief comes at once.

The moment you apply Red Pepper Rub you feel the tingling heat. In three minutes the congested spot is warmed through and through. When you are suffering from a cold, rheumatism, backache, stiff neck or sore muscles, just get a jar of Rowles Red Pepper Rub, made from red peppers, at any drug store. You will have the quickest relief known.

---an announcement that will mean \$\$ to those who take advantage of it:

THE YOE HIGH DOMESTIC PUPILS WIN SECOND

CLOTHING CONTEST AT GALVESTON WON BY KATHLEEN BAGGETT OF CAMERON.

New honors have come to the Yoe High School department of Domestic Science and to Miss Kathleen Baggett who won second prize at the meeting of the interscholastic competition of Texas last week in Galveston.

The exhibit of the Yoe High school in addition to winning second place in the state was given favorable mention on every hand and the people here feel very proud of this achievement.

Expenses of the delegation to Galveston were defrayed by Cameron business men, a subscription having been taken amounting to \$156.

Miss Frank Duke Hightower and Miss Jolly Blanche Pitts chaperoned the girls to the meeting. The domestic science pupils were Francis Morrison, Nora Adams, Kathleen Baggett, Amy Kinard, Dorothy Davis and Elsie Tyson.

MISS ELOISE ROGERS

WINS FIRST IN VOICE CONTEST AT BAYLOR.

Miss Eloise Rogers of Cameron won first place in the voice contest at Belton last week and thereby was awarded a scholarship to the college.

The triumph of Miss Rogers will be of great interest to her many friends here and elsewhere who will follow her career with well wishes for greater success. This contest was in competition with schools from over the state and is known as the interscholastic event.

Miss Rogers is a talented singer and is a senior in the Yoe High School class this year.

NOTICE IN PROBATE.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Milam County—GREETING:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

THE STATE OF TEXAS.

To all persons interested in the Estate of Frank Langer, deceased B. P. Matocha has filed an application in the County Court of Milam county on the 26th day of April 1924, for Probate of the last will and testament of the said Frank Langer, which said application will be heard by said Court on the 2nd day of June 1924, at the Court House of said County, in Milam, at which time all persons interested in said Estate are required to appear and answer said application, should they desire to do so.

Herein Fail Not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron this 26th day of April 1924.

H. M. ROARK, Clerk.
County Court, Milam County
By J. O. Hughes, Deputy. 52-2t

If Back Hurts Begin on Salts

Flush Your Kidneys Occasionally by Drinking Quarts of Good Water

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Too much rich food creates acids which clog the kidney pores so that they sluggishly filter or strain only part of the waste and poisons from the blood. Then you get sick. Rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage, or attended by a sensation of scalding, begin to drink soft water in quantities; also get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush clogged kidneys and stimulate them to activity, also to help neutralize the acids in the system so they no longer cause irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive and can not injure; makes a delightful effervescent lithia-water drink, which everyone can take now and then to help keep the kidneys clean and the blood pure, thereby often preventing serious kidney complications. By all means have your physician examine your kidney at least twice a year.

COMMITTEE TRANSPORTATION NAMED FOR BAPTIST CHURCH.

As a part of the church organization to secure better attendance at the church of the members of the church and others who wish to worship at the Baptist church, Rev. E. S. Hutcherson, has appointed a committee on transportation whose duty will be to see that all persons desiring to go to church and Sunday School will not be kept away on account of not having a way to go. Mrs. F. J. Beckerman is chairman of

LIONS HEAR VOCATION TALK BY DR. WATSON

R. P. JETER SPRINGS GOOD PROGRAM AT TUESDAY LUNCHEON OF LIONS.

Dr. Jas. Watson discussed the dental profession at the Tuesday meeting of the Lion's Club, giving the lions an insight in this great field of limited surgery.

R. P. Jeter was toastmaster and brought a good program for the Lions.

The club instructed its delegates to the Paris convention to vote for Galveston as the next state meeting place of the convention. The question of the election of a president was also discussed but no action was taken.

The Lions now have a number of important civic problems in the hands of committees but no action was taken or reports made to the Tuesday meeting.

Rev. King Vivian, pastor of the College Station Methodist church, now in Cameron holding a meeting, made a short talk to the men and was roundly applauded for his wholesome talk.

this committee and with her is Mrs. W. H. Henley. This committee will be furnished a list of names Friday of this week for the Sunday service. The goal for the Sunday school hour has been placed at 500 and the Baptists will make an effort to reach that goal Sunday.

FOR RENT—Two unfurnished rooms, on Travis Ave. Phone 492.

DIAMOND RING IS LOVE OFFERING OF WOMAN TO CAMPAIGN.

The Latonia Baptist church of Covington, Ky., recently observed a "LOVE OFFERING DAY" in the in-

terest of the Campaign and when the collection plate was passed it was found it contained a diamond ring with this note attached: "I do not have any money that I can give but this ring is given with the request

that no one but God and the donor shall know the meaning of the sacrifice." This is the spirit that if caught by our Southern Baptist forces generally will spell certain victory.

Are Farmers Bad Business Men

If a manufacturer of farm implements or of farm equipment of any kind, persisted in keeping the cost of production up, by refusing to install modern equipment or to employ modern methods, or, if he stored his finished products in the open where they would rust and deteriorate before he tried to sell them, what kind of a business man would a FARMER consider him to be? And, if he said that his reason for doing these things was that he was economizing and wanted to save money, what would a FARMER say to that?

Yet, a great many FARMERS who would consider such a manufacturer a very poor business man, operate their farms on a very similar plan!

Is it any wonder that Farmers are largely considered as being bad business men when so many of them leave expensive implements in the open to rust and go to pieces twice as fast as they should; when they refuse to provide proper shelter for their stock and poultry and thereby cut down production and lose profit; when they fail to provide ample storage space for their crops and lose through spoilage or having to market at inopportune times?

And is Economy a logical reason for any farmer's so doing?

WHAT KIND OF A BUSINESS MAN ARE YOU?

We specialize in serving the farm building trade. We are prepared to give you the "Dope" on any kind of farm building and it's a pleasure to help you plan and give you estimates. No obligation.

NIECE OF SUL ROSS HANGS SELF IN WACO

Waco, Texas, April 27.—Miss Mary Ross, 56, niece of the celebrated "Sul" Ross, was found dead by hanging in her residence here today. Her mother, widow of the late Capt. Robert S. Ross, was found unconscious, having been struck in the head by a hammer, but is expected to recover.

Miss Ross had suffered a nervous breakdown about a year ago, had recovered, and with her mother had recently been visiting in Kansas City.

Miss Ross was well known as a

writer for journals on flowers and gardening.

Her father, Captain Ross, was the first white child born in McLennan county. Her uncle, Gen. "Sul" Ross, was commander of numerous campaigns against Indians during the time of the Texas Republic, fought through the civil war in the Confederate armies, and was Governor of Texas.

Miss Ross was prominent worker in the Episcopal Church. Funeral services were held Monday afternoon at 4 o'clock.

A VISIT THROUGH THE LARGEST BUSINESS INSTITUTION IN THE UNITED STATES.

It is indeed an interesting sight to visit the Tyler Commercial College, at Tyler, Texas, and see the work of its students.

As you enter their halls, you behold hundreds of young men and women intensely interested in their Accounting work. Some having just entered and are, of course, being given the simple rudiments of their work by painstaking and competent instructors. Others, being farther advanced, are busily engaged in various transactions which the different miniature business houses, where wholesale and retail merchandising is done, where Real Estate is bought and sold, where goods are being shipped. All kinds of bank transactions are made and to make it more interesting and practical, there are Telegraph stations in all parts of the building where students may send messages, ordering goods, making inquiry of goods shipped, transferring many by telegraphy. All these stations are in charge of the advanced students from their Telegraph Department. This gives both the Business Course student, as well as the Telegraph students, a wonderful opportunity to make their work mutually profitable by adding this practical touch to it.

Then there are the more advanced Accounting Students, who have about completed their courses, intent in their desire to thoroughly master their courses. One can almost create a disturbance in this department and they will never lift their eyes from their studies—so concentrated are they in their work.

On the third floor of their large and commodious building, a still more interesting sight greets you. Over three hundred typewriters of different makes are being used to their full capacity all through the day. Here, the Touch Method is taught. Just to the right is another room where Typewriting is taught by Music—"Who would have dreamed of this?"

Next is the Shorthand Department where hundreds are taking dictation from their instructors. It is said that the Byrne Simplified system is the easiest system to learn in use today. They control the copyright of this famous system.

The Literary Department is in charge of a very competent instructor. Each student is given a review in the literary subjects.

The Cotton Classing Department is

a revelation to anyone. More than a hundred young men and women are as busy as bees, pulling, sampling and stapling actual cotton samples—learning the grade, staple, color and fibre. The instructor is as busy as the students. They also have the Government standards for ready reference.

The Telegraphy Department of this great school is a veritable Railway Telegraphy Dispatchers' office. There are messages flying in all directions, giving train orders, sending and receiving commercial Telegrams, making out Railway and Western Union reports—doing everything that is done in Railway or Western Union Offices.

Their large auditorium, with a seating capacity of fifteen hundred, is used for their morning exercises each day, where students hear many valuable talks of interest by professional and business men.

In talking with the management, we find that they give more than

thirty courses and combination of courses, with a strong faculty of more than thirty-five instructors.

It is well worth the time of anyone and an opportunity never to be regretted, to visit this great institution.

We are told that a large interesting book describing their work, will be mailed to anyone wishing it. Mail this coupon now for prompt service.

Tartars Always Barbarians.

So far as we can judge, writes Cornelia James Cannon in North American Review, the Tartar is a race which has always been barbarian. It has been a virile and predatory race, has never developed a civilization worthy of the name. The infusion of its blood has doubtless hampered and retarded the development of the Balkans, and it has been only China's extraordinary capacity to conquer her conquerors which has saved that country from the blight of the Manchu.

Wind Cuts Train Speed in Two.

About half the power produced by railroad locomotives is employed in breaking down the wind resistance against the trains, according to experiments conducted by the French Aero-Technical Institute at Saint Cyr. The experts decided that this was too much and set about building a model train of cars based on the latest principles. They tried it out in a special tunnel with the result that 72 per cent of the wind resistance was eliminated.

Jack's Prayer.

Little Jack had been so naughty that mother had to give him a spanking, and all that afternoon a desire for revenge rankled in his breast. At length bedtime came and kneeling down he said his evening prayer, asking a blessing upon all the members of the family individually—except one. Then, rising, he turned to his mother with a triumphant look, saying as he climbed into bed, "I s'pose you noticed you wasn't in it."

THE STATE OF TEXAS.

To the Sheriff or any Constable of Milam County—GREETING:

You are hereby commanded to summon Alf Henderson by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam county, to be holden at the court house thereof in Cameron, on the 5th day of May 1924, the same being the First Monday in May 1924, then and there to answer a petition filed in said court on the 2nd day of April 1924, in a suit, numbered on the docket of said court No. 9126, wherein Sallie Henderson is plaintiff and Alf Henderson is defendant.

The nature of Plaintiffs demand being a suit for divorce upon the Statutory grounds of three years and ten years abandonment.

Herein fail not, but have before said court on the said first day of the next term thereof this writ with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Given under my hand and the seal of said court, in Cameron, this 2nd day of April A. D. 1924.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Dr. J. C. Fletcher* on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

LOCAL MUTUAL INSURANCE ASSOCIATION IS THRIVING

C. W. L. SCHAEF REPORTS 1508 MEMBERS TO DATE AND MANY PROSPECTIVE.

Exemption by congress from the provisions of the Melon tax plan of local mutual aid insurance companies operating in various parts of the country, calls to the attention of people in this section the Cameron Mutual Life Insurance Association, a local mutual aid association, which was organized a little over two years ago and which now has a total membership of 1508.

This insurance association has paid a number of claims and is said to be meeting a very large demand for insurance among people who find they

are unable to carry higher priced insurance.

C. W. L. Schaeff, local secretary for the company, believes the association will be a very large asset for the city both because of the exceptional insurance possibilities for people of moderate means as well as affording concentration of wealth in the city.

The next death claim will be paid without the necessity of an assessment, showing the fine condition of the association which at first had a hard time getting itself established.

In times passed it has been said that insurance associations of this nature were not successful but in the case of the local association success has been present from the start.

LIVESTOCK ASSOCIATION WILL MEET IN CAMERON

MEETING TO PROMOTE PLANS FOR LIVESTOCK AND POULTRY SHOW PLANS.

Sam Mewhinney, president of the Milam County Purebred Livestock and Poultry Association, has called a meeting of the Association to be held in the court house in Cameron on Saturday afternoon May 3, 1924, at 2:30 p. m.

The purpose of the meeting is to effect re-organization of the association and to make plans for a livestock and poultry show for the county.

The association was organized two years ago but having missed several meeting dates in 1923 has ceased to function properly.

The association was organized to promote the livestock industry of the county and to bring about the production of purebred livestock and poultry.

It is now planned to re-organize the association and to bring about a greater interest in the livestock industry of the county. The meeting for Saturday May 3 has been called as a result of plans maturing for a livestock and poultry show.

It is believed the association will have the co-operation of the busi-

ness interests of the county and the stockmen in the promotion of this show.

Without the aid of the stock and poultry producers it would be impossible to have a creditable show but with the full aid of the stock and poultry interests the show can be made attractive and deserving in every way.

Special emphasis is placed on this meeting and the president as well as the board of directors is anxious for a full attendance.

The meeting will be called to order at 2:30 and will be presided over by Sam Mewhinney, President. It is likely that representatives from the

chamber of commerce will be present to address the members and to assist them in every way in their re-organization.

NATURE TELLS YOU.
As Many a Cameron Reader Knows Too Well.

When the kidneys are weak, Nature tells you about it. The urine is nature's index. Infrequent or too frequent passage. Other disorders suggest kidney ills.

Doan's Pills are for disordered kidneys.

Cameron people testify to their worth. Ask your neighbor!

Melvin Weems, E. Second St., Cameron, says: "Whenever I took cold or when there was a sudden change in the weather, my kidneys bothered me by acting too freely. There was a sediment in the secretions and they burned in passage. My back got so lame, the muscles all through it were sore. I had taken all kinds of medicine, but didn't get any help at all. The doctor told me to take Doan's Pills. I got a supply of Doan's and took them as directed. They cured me and my

kidneys have been strong since then." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Matula had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (II)

GEORGE WILLIAM TRIGGS
APPOINTED TO TRAINING
CAMP FOR CITIZENS.

The Commanding General, Eighth Corps Area, has approved the application of George William Triggs, of Cameron, Texas, for admittance to the Citizens' Military Training Camp for 1924.

Mr. Triggs will be privileged to

attend the Citizens' Military Training Camp to be held at Fort Sam Houston, Texas, during the month of August, all his expenses being paid by the Government.

The quota for the camp is rapidly being filled and young men of Milam County intending to apply should write A. F. Mitchell, of Cameron, County Chairman of the Military Training Camps Association or the C. M. T. C. officer, Fort Sam Houston, Texas, without delay.

It is assured that the Fort Sam Houston Camp will be the largest and best ever held in the Eighth Corps Area.

DODGE BROTHERS SALES

6576 Dodge Brothers Motor Cars (or over 1,000 cars per day) were delivered to retail purchasers during the week ending April 19th—not including cars for export or overseas.

This breaks all Dodge Brothers retail delivery records.

Figures for the first three weeks of April are:—

Week ending April 5th	. 5694
Week ending April 12th	. 6106
Week ending April 19th	. 6576

Each week since October 1923, deliveries of Dodge Brothers Cars to users have shown a consistent gain over the corresponding week of any previous year.
